

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

RESOLUTION requesting our Senators and Representatives in Congress to favor an appropriation for the improvement of the Cumberland and Tennessee rivers.

WHEREAS, The river and harbor bill, passed by the Congress of the United States in one thousand eight hundred and eighty-two, contained the following important provision, to wit: "To make such survey and report as to placing locks and dams on the Cumberland river from Nashville, Tennessee, to the Cincinnati Southern Railroad, in Kentucky, as, in the opinion of the Secretary of War, is necessary to complete the examination and report of said river, said report to be:

"1. As to the practicability of the work.

"2. Its probable cost from Nashville to the Kentucky line.

"3. The cost from the Kentucky line to the Cincinnati Southern Railroad.

"4. The cost of locking and damming so as to improve Smith's Shoals;" and whereas, in pursuance of said provision, such survey has been completed, and the report thereon shows that said work is practicable, and that to secure slack-water navigation all the year round between Nashville, Tennessee, and the Cincinnati Southern Railroad, in Kentucky, will require three million two hundred and two thousand nine hundred and twenty-two dollars. Said estimates being divided as follows: From Nashville, Tennes-

see, to the Kentucky line, one million nine hundred and eighty-seven thousand five hundred and thirty-six dollars; from the Kentucky line to the Cincinnati Southern Railroad, one million two hundred and fifteen thousand three hundred and eighty-six dollars. The estimated cost of locking and damming Smith's Shoals to the coal field above the Cincinnati Southern Railroad, eight hundred and seventy-five thousand dollars; and whereas, Congress has approved said report, and has made three several appropriations, aggregating three hundred and twenty-five thousand dollars, for the purpose of constructing locks and dams on said river in Tennessee above Nashville; and whereas, the construction of lock number one, at Nashville, Tennessee, is now in progress; and whereas, the interests of the people of Kentucky demand that said river be improved in this State at the same time that said improvement continues in Tennessee; therefore, be it

RESOLUTION in relation to the improvement of the Kentucky river.

WHEREAS, The State of Kentucky, by act of the General Assembly, has transferred and ceded to the United States the locks and dams constructed by the State on the Kentucky river, together with all the ground and appurtenances thereunto belonging, for the purpose of enabling the United States to continue the slack-water navigation of said river to the inexhaustible supplies of coal, iron and timber on the upper waters of said river; and whereas, the appropriations heretofore made by the Congress of the United States for the further improvement of said river since said act of cession have been expended and exhausted, and lock number six and the lock at Beattyville, at the Three Forks, are incomplete, and the work thereon has progressed to such an extent that the structures, in their present condition, are liable to be destroyed by floods; and whereas, the estimates made by the department of engineers show that the cost of completing the locks and dams now in course of construction, and the other locks and dams necessary to provide continuous slack-water

navigation from the mouth of said river to the Three Forks at Beattyville, thereby opening up to the commercial world a territory unsurpassed in the United States in mineral and timber wealth, the development of which will add millions of dollars to the taxable wealth of the people of Kentucky, and will contribute largely to the comfort and growth of the United States, will be insignificant as compared with the resultant benefits; therefore, be it

Resolved by the General Assembly of the Commonwealth of Kentucky:

1. That our Senators and Representatives in the Congress of the United States be instructed and requested to urge upon that body the appropriation of such sum of money as will insure the speedy completion of locks and dams in course of construction, and the erection of the other locks and dams necessary to complete said improvement and provide said slack-water navigation at the earliest practicable time, and thereby secure to the people of Kentucky and of the Ohio and Mississippi valleys the incalculable benefits which will surely result therefrom.

No. 50.

RESOLUTION in respect to the death of the Hon. James B. Beck.

Information having come to this General Assembly of the death of the Honorable James B. Beck, a Senator representing the Commonwealth of Kentucky in the Congress of the United States, it is proper that the two Houses shall express their appreciation of the calamity that has befallen the country, and take the necessary steps to manifest the respect, esteem and love of the people of Kentucky for this great and good man ; therefore, be it

Resolved by the General Assembly of the Commonwealth of Kentucky :

1. That in the death of James B. Beck the country at large sustains the loss of an enlightened and patriotic statesman, and the State of Kentucky its most distinguished citizen. Patient, laborious and intellectual, he brought to the discharge of his duties all the great powers, moral and mental, with which he was gifted by nature, and all the stores of political information he acquired by the untiring and unceasing industry for which he was so exceptionally distinguished. He was the champion and defender of the unrepresented people of the South in their darkest hours of adversity, and by his able and zealous services in their behalf deserved and secured their lasting gratitude. The adopted son of this Commonwealth, he gave to Kentucky and the people of Kentucky all the love of his strong and manly nature, and in return received the affectionate confidence and esteem of Kentuckians to an extent that has not been exceeded by any man, living or dead. As the representative of the Ashland district in the House of Representatives, and as a Senator sitting for Kentucky in the Congress of the United States, he was equal to every occasion, and upon many of the great questions of the day was

a recognized leader, without a peer in either of the great political parties. By his great public service, his devotion to duty and his love of country, he won national fame for himself, and reflected unmeasured honor and glory upon his people and his State, and dying he leaves no one able to fill his place.

2. *Be it further resolved*, That the Governor of the Commonwealth be, and he is, requested to cause the public buildings at Frankfort to be appropriately draped in mourning, with flag at half-mast, for the period of thirty days; that a joint committee of thirteen, five from the Senate and eight from the House of Representatives, to be named by the Speakers of the respective Houses, be, and the same is hereby, raised, with the Sergeant-at-Arms of the two Houses, to meet the remains of the distinguished dead at the eastern border of Kentucky, and to accompany them as an escort of honor on the part of Kentucky to their final resting place; that the Governor of the Commonwealth, the Lieutenant-Governor and the Speaker of the House of Representatives are each requested to accompany and act with the said committee, and that the General Assembly attend in a body the funeral ceremonies.

3. That these resolutions take effect from their adoption, and that a copy be forwarded to the family of the deceased, certified by the great seal of the Commonwealth.

Approved May 6, 1890.

No 51.

RESOLUTION in relation to a public building at Bowling Green, Kentucky.

WHEREAS, A public building at Bowling Green, Kentucky, would be a great convenience to a large number of our citizens who pay annually a large revenue into the public treasury; therefore, be it

Resolved by the General Assembly of the Commonwealth of Kentucky :

1. That our Senators and Representatives in the Federal Congress be, and they are hereby, requested to use their influence, and do what they can to get an appropriation from the Federal Government for the purpose of erecting a public building in the city of Bowling Green, Kentucky.

2. That the Secretary of State be directed to forward a copy of these resolutions to each of our Senators and Representatives in Congress.

3. This resolution shall take effect from its adoption.

Approved May 6, 1890.

No. 52.

Said warrant shall be drawn in favor of the trustees of the Lexington Cemetery Company, paid over to them, and be applied by them in making said repairs.

2. Should any surplus remain in their hands after meeting the present exigencies, then said trustees shall hold whatever balance may thus remain, and apply the same to further repairs upon said monument as from time to time it may require attention.

This resolution shall take effect from and after its passage.

Approved May 9, 1890.

No. 53.

RESOLUTION to extend the present session of the General Assembly indefinitely.

WHEREAS, Complications have arisen making it impossible, within the present limit, to complete pending business and elect a successor to Hon. James B. Beck, deceased; therefore, be it

Resolved by the General Assembly of the Commonwealth of Kentucky:

That the sum of twenty-five dollars be, and the same is hereby, appropriated to Pat McDonald for his services as Clerk of the Electoral College of Kentucky at its last meeting, and the sum of twelve dollars and fifty cents is also hereby appropriated to B. W. Jenkins as Sergeant-at-Arms of the same body ; and the sum of twelve dollars and fifty cents is hereby appropriated to James McAuliffe as Door-keeper of the same, payable out of any money in the Treasury not otherwise appropriated ; and the Auditor is hereby directed to draw his warrant on the Treasurer for said sums herein stated.

2. This resolution shall take effect from its passage.

Approved May 27, 1890.

No. 63.

RESOLUTION for the benefit of James Coleman, Janitor of the Back Capitol.

WHEREAS, James Coleman, Janitor and keeper of the Back Capitol, received no allowance in the general appropriation bill, and receives only the two dollars and fifty cents allowed him by special resolution ; and whereas, said James Coleman and his son have been constantly present at said Back Capitol, not only during the day, but also until late at night, and have, by their faithful and efficient service, kept said Back Capitol in the best possible condition ; and whereas, the appropriation bill makes allowances to other employes in excess of the said two dollars and fifty cents, whose services and labors were not so great as the said Coleman ; and whereas, by reason of his son's constant attendance at said Back Capitol, the said two dollars and fifty cents is the only compensation for two persons ; now, therefore, in order to more nearly equalize the pay of the said James Coleman with the other employes, and to make his pay commensurate with the really good service rendered by the said Coleman, be it

Resolved by the General Assembly of the Commonwealth of Kentucky :

1. That the said James Coleman be allowed the sum of one dollar and fifty cents per day in addition to the two dollars and fifty cents allowed him by special resolution, making his pay four dollars per day, the same to be paid on the warrant of the Auditor, drawn on the Treasurer, out of any money in the Treasury not otherwise appropriated.

2. This resolution to take effect from its adoption.

Approved May 27, 1890.

Duty of city council.

§ 3. It shall be the duty of the general council, in framing its levy ordinance, to adopt for the heads of the sinking fund, railroad bonds, bonds under ordinance and vote of one thousand eight hundred and eighty-eight, such rates as the commissioners of the sinking fund may have certified to them in accordance with the preceding section. Should the general council, in the month of December, fail to pass the levy ordinance, the estimate made by the sinking fund commissioners shall at once be certified by them to the assessor, who shall insert them in the tax-bills for the rates named in the place of the rates given in section four of article one of said tax law and of the amendments thereto.

The bonds authorized and required by this section shall be a charge upon the sinking fund of said city. CHAPTER 266.

AN ACT to amend an act, entitled "An act to regulate municipal elections in the city of Louisville."

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

§ 1. That an act, entitled "An act to regulate municipal elections in the city of Louisville," approved February twenty-fourth, one thousand eight hundred and eighty-eight, be amended so as to read as follows, namely: That from and after the passage of this act all elections in the city of Louisville of municipal officers, members of the general council and school trustees, or to determine any municipal question submitted to the people, shall be held and carried on by ballot in the manner hereinafter provided; but the provisions of this act shall not apply to the election of judge, prosecuting attorney, clerk or marshal of the city court.

To vote by ballot.

Nominating candidates—how done.

§ 2. In order to have their names printed on the ballots hereinafter described, candidates must be nominated as follows: A candidate for one ward must be nominated by a written petition, accompanied by the city treasurer's receipt for five dollars, of ten or more registered voters of such ward; a candidate for the city at large must be nominated by the written petition, accompanied by a like receipt for twenty dollars, of fifty or more registered voters of the city; the petition and receipt, in either case, to be presented to the mayor not less than ten days, Sunday included, before the election. Each voter signing said petition must add to his signature his place of residence, with the street and number thereof, and each voter may subscribe to one nominating petition for each office to be filled, and no more. Each petition, besides containing the full name of the candidate, shall specify—first, the office for which the candidate is nominated; second, the candidate's place

of residence, with street and number thereon. The ^{Place of residence.} candidate nominated by said petition shall, in his own handwriting, or, if he can not write, in the handwriting of another, attested by the said candidate's mark and the signature of the party doing the writing, indorse upon said petition a brief statement that he consents to act, if elected to the office for which the petition nominates him. The petition being apparently in conformity with the provisions of this section, shall be deemed valid unless within two days after its presentation to the mayor objection thereto, in writing, is made. Any such objection or apparent irregularity shall be passed upon by the mayor, city attorney and the clerk of the upper board of the general council, and the decision of a majority of these officers shall be final. In case such objection is made, or an apparent irregularity appears, written notice, stating grounds of such objection or apparent irregularity, shall be at once sent by the mayor to the candidate affected thereby, addressed to his residence as given in the petition. Should the decision be against the validity of the petition, the candidate named in it shall be given the further time of one day to perfect the petition. All petitions of nomination, and the receipts accompanying them, shall be open to public inspection, and the mayor shall preserve same in his office for at least six months after the election to which they pertain.

§ 3. It shall be the duty of the mayor of the city to ^{Duty of the mayor.} cause to be printed and bound, and ready for distribution, not less than one day before any municipal election, one book of stubs and ballots for each voting precinct in said city. He shall also, within same time, cause to be printed (the same being prepared and signed officially by the city attorney or his assistant) full instructions to the election officers as to their duties under this act. Not less than six such instructions shall be sent to the election officers at each precinct. He shall, at the same time, have printed and

sent to the election officers of each precinct a sufficient number of the form set out in section fifteen of this act to meet the requirements of that section and the affidavits required by section nine of this act. The mayor must use every precaution to prevent any such book of stubs and ballots, any ballots from such book, any fac-similes or imitations thereof, or any information whatsoever about same, from being secured by any candidate, or other person or persons, from the printer employed to print and bind same, or from any of his agents or employes employed on such work, or in any way connected with his establishment or with this work. It shall be the duty of the mayor alone, and unaided by any person whatsoever, to prepare in accordance with this act the form of this book of stubs and ballots, and color or colors of the paper to be used in making same. The mayor shall not receive such book of stubs and ballots from the printer until the said printer shall have certified, in writing, under oath, that—first, such books of stubs and ballots are all such that have been, or will be, printed in his establishment prior to the conclusion of the ensuing election; second, no such ballot, fac-simile or imitation thereof remains, has been printed, or will be printed, in his establishment, prior to the conclusion of the ensuing election; third, all the forms upon which such books of stubs and ballots were printed have been destroyed, and will not be restored prior to the conclusion of the ensuing election; fourth, he will give no information nor has given any about such to any candidate, person or persons; fifth, to the best of his knowledge and belief none of his employes or agents have or will give any such information to any candidate, person or persons. Should the mayor not be able, prior to the tenth day, Sundays included, before any election, to contract for such printing and binding under the prescribed conditions, then, at the mayor's instance, the Public Printer of this Commonwealth shall do such printing and

binding under the prescribed conditions and at the usual cost for such work. He shall preserve said certificate in his office for one year. On the day before the election the mayor shall distribute such books of stubs and ballots, the forms, affidavits and instructions mentioned, securely sealed in a paper package, among the clerks of the election of the several precincts of the city, or to a judge of same, should any such clerk be sick or absent. He shall indorse upon these several sealed packages—first, the election and date thereof at which same shall be used; second, the number of the precinct and ward for which said package is intended; third, the number of ballots, forms of election returns, affidavits and instructions inclosed in said package. He shall keep a book in which, before he delivers said packages to the several clerks or judges, the clerk being sick or absent, he shall require each clerk or judge, the clerk being sick or absent, to write and sign a receipt certifying specifically to the facts indorsed on the said packages, and that said package, when delivered to the said clerk or judge, the clerk being sick or absent, was securely sealed. Should said package be given to a judge, the reason for so doing must be stated in said receipt. He shall swear in the said clerk or judge, the clerk being sick or absent, and instruct same not to break the seals of the package, nor permit same to be done, until the opening of the polls at his proper precinct, and in the presence of the other officers of election, and of all persons in attendance who are the properly appointed representatives of the candidates. The book of stubs and ballots for each precinct shall contain as many leaves as there are registered voters therein, with a reasonable number added to supply ballots that may be spoiled. The form hereinafter given for the election return shall be printed on the inside of one of the covers of the said book of stubs and ballots. The cost of print-

ing and binding the said book of stubs and ballots, and the necessary expenses of all publications, stationery, ballot-boxes, candles and compartments prescribed by this act, shall be borne by the city. Should the mayor be absent from the city, or prevented by sickness from acting, the duties imposed by this act upon him shall be performed by the city attorney.

§ 4. Each stub in said book of stubs and ballots shall have printed on it one of a series of consecutive numbers, commencing with number one and ending with the number which is the total number of such stubs in all of such books of stubs and ballots, and running through all of said books of stubs and ballots, so that no number shall appear on more than one stub; and said books of stubs and ballots shall be so distributed by the mayor among the various precincts that said serial numbers shall not be continuous with the numbers of said precincts, but shall be so discontinuous, when read in the order of the numbers of said precincts, that no regularity of arrangement may be discovered, and the mayor shall keep secret, until the hour of election, what book or books of stubs and ballots may be selected for any or for all of said precincts, and shall be worded as follows: Consecutive number _____ (after these words the consecutive numbers shall be printed, beginning with one, and increasing in regular numerical order); name of voter _____ (after these words the clerk shall set down the name of the voter); registered residence _____ (after these words the clerk shall set down the voter's residence as found in the registration book of the precinct). The ballot shall be printed on opaque paper, and shall be on the same leaf with, and shall be separated from the stub by a perforated line; and it shall be divided by heavy black lines into two columns, and these again by horizontal black lines into divisions for the different offices to be voted for, or

municipal questions to be determined. Each division shall be substantially in the following form :

For Mayor. { John Brown.
William Smith.
_____.

There shall be left at the end of the list of candidates for each different office as many blank spaces as there are persons to be elected to such office in which a voter, or the clerk, in case the said voter can not write, may insert the name of any person not printed on the ballot for whom the said voter desires to vote as candidate for such office. The names of the candidates shall be arranged in the alphabetical order of their surnames, and if several candidates have the same surname, in the order of their given names ; and in like manner for the other city offices to be filled in this order, or in such order as the mayor may direct : Mayor, receiver of city taxes, treasurer, auditor ; then, if any municipal question be submitted,

For _____ tax (or other measure). { Yes.
No.

Should there be no other officers to be voted for by the whole city, proper divisions are to be added for them. In the second column similar divisions shall be printed : For alderman, — ; for councilman, — ; for school trustee, —, with the names of the candidates put after them in the manner above indicated : *Provided*, The ballot shall have only one column when only representatives of wards, or when only officers for the whole city are to be elected ; but nothing in this act shall be construed as preventing the mayor from arranging the order in which said offices appear on the official ballot as he sees fit, and he shall use every precaution to prevent the order in which they do appear being known at any time prior to the election. After each name on each ballot, after the words yes and no, when a municipal question is to be determined, and after the blank space before mentioned, shall be printed a square, thus : ☐ large

enough to contain the cross-mark by which the voter is required to designate his vote. At the opposite end of the ballot from the stub, and on the same leaf with said stub and ballot, there shall also be appended a small slip or annex separated from the ballot by a perforated line, on which slip shall be printed the same consecutive number which is printed on its corresponding stub. When the ballot shall be returned by the voter, folded as hereinafter provided, the judge who receives the ballot from the voter shall, without unfolding it, submit the same to the inspection of all the officers of election, and the properly appointed agents of all the candidates, and if the slip or annex and the stub have the same number, and it meets the requirements of this act in other respects, he shall in the presence of all the officers of election tear off from the ballot and destroy said slip or annex, and then deposit the ballot in the ballot-box as hereinafter provided.

Mayor shall publish notice.

§ 5. The mayor shall cause to be published, two days prior to the day of election, in at least two daily newspapers in the city of Louisville (selecting, if there be such, papers representing the political parties which cast at the preceding election the largest and next largest number of votes), a list of all the nominations made as herein provided, and to be voted for in the city, and of the offices for which they are candidates.

Duties of council.

§ 6. It shall be the duty of the general council, as soon as practicable after the passage of this act, and every year thereafter, to subdivide the wards into precincts, in such a manner that no precinct shall contain more than three hundred and fifty registered voters. It shall be the duty of the mayor, by message, to inform the general council of the duty imposed on it by this section. Any registered citizen of the city of Louisville shall have the power to enforce, by mandamus, the mayor's or council's compliance with this section.

§ 7. Any person desiring to vote shall give his name How to vote. and residence to the election clerk, who shall thereupon announce the same in a loud and distinct tone of voice, clear and audible; and if such name and residence are found upon the registration list, and such person is found otherwise qualified, the clerk shall check the same upon the registration book, and repeat aloud such name and residence, and shall then put said name and registered residence on the proper stub in the book of stubs and ballots, and the said book shall for this purpose take the place of a poll-book. The clerk shall then tear the ballot off the stub, leaving the slip or annex still attached, and he shall fold the ballot so that the same shall be divided by two creases parallel to the perforated line into three equal parts, and so that the names upon the ballot are wholly concealed, and so that the slip or annex shall wholly project from the ballot; and he shall then write his own name on one of the exterior sides of the ballot when so folded. And he shall thereupon instruct the voter to return the ballot and slip or annex, when he has marked it as hereinafter directed, and to fold it in the lines of the creases previously made by the clerk, so that the said signature of the clerk shall appear upon one of the exterior sides, and the slip or annex shall project wholly from the folded ballot.

§ 8. The mayor shall provide each precinct with a Mayor to provide boxes, etc. good and substantial ballot-box of sufficient size; the judges, clerk and sheriff of each election precinct shall, just before the voting begins, open and inspect such box, and satisfy themselves and such of the candidates as may be present in person or by one properly appointed representative, that the box is then empty. The said officers shall then, in the presence Duties of officers. of such of the candidates as may be present in person or by one properly appointed representative, break the seals of the package containing the book of stubs and ballots, the blank forms of election returns, the affidavits and the printed instructions, having

previously satisfied themselves that the same have not been tampered with. The said officers shall, in their return of the election, report whether or not said package was received in good condition at their precinct, and whether the same, previous to their breaking the seals, bore any evidence of having been tampered with. A false report by them in this particular, or of any other fact in their return, shall be punishable as perjury. The box shall have a slit in the lid, through which ballots may be put in, but through which they can not be taken out. The lid shall be fastened by two locks, requiring two different keys, of which each of the two judges shall keep one; said ballot-box to be locked before the voting begins. The mayor shall also cause to be set up at each voting place wooden compartments, one for every one hundred and seventy-five registered voters, or fraction thereof, about six feet in height and about three feet square; one side to open and shut as a door, with a narrow shelf affixed to the opposite side. The clerk of each precinct shall put into each of the compartments of his precinct one candle and lead-pencils with rubber erasers attached thereto, and so hung by strings as to be conveniently used by the voter in marking his vote.

Voting by ballot—how done.

§ 9. On receipt of his ballot from the clerk, the voter shall forthwith, and without leaving the voting-room, retire alone into one of the unoccupied compartments and close the door behind him, and while within the same he shall prepare his ballot by marking in the appropriate squares a cross [x] opposite the name of the candidate of his choice for each office to be filled, or by filling in the name of the candidate of his choice in the blank space provided therefor, and marking in the appropriate square a cross [x] opposite thereto; and in case of a municipal question to be determined, by marking in the appropriate square a cross [x] opposite to the answer which he desires to give. Before leaving the com-

partment the voter shall fold his ballot as previously folded by the clerk, showing the signature of the clerk and allowing the slip or annex therein to project from the ballot. No ballot shall be received by the election officers unless previously made up in the said compartment and folded as herein prescribed. The ballot shall be kept so folded until deposited in the ballot-box. Before the voter leaves the voting-room the said ballot shall be deposited by a judge in said ballot-box, with the official signature of the clerk uppermost. The voter shall mark his ballot, and the judge shall deposit the same without undue delay, and the voter shall quit said voting-room and the prohibited space of fifty feet as soon as said ballot shall have been deposited in the ballot-box. No person, except as otherwise provided, shall be allowed to occupy or enter a compartment already occupied by any one else, nor to remain within a compartment more than three minutes, nor to remain in the voting-room or the prohibited space of fifty feet more than ten minutes. No voter, not an election officer, candidate, or properly appointed representative of such candidate, or policeman, when called upon by an election officer, by a candidate, or by a properly appointed representative of a candidate, to make an arrest or to preserve the peace, shall be permitted, after he shall have voted, to re-enter the voting-room, or, except a policeman, the prohibited space of fifty feet. At other times all policemen shall keep out of the voting-room, but shall remain within the hereinafter prohibited space around same to see that not more than two voters shall enter same or the voting-room at the same time. They shall also prevent the representatives of candidates from running to and fro between the voting-room and the outer limits of the prohibited space of fifty feet. Should a voter inadvertently spoil a ballot, he may return it and receive in place thereof one other ballot. The spoiled ballot thus returned shall be preserved by the clerk,

and the fact shall be noted by him by writing the word "Spoiled" on the stub and the spoiled ballot. A voter may cast his vote for a person not nominated, as provided in section two above. No person shall take or remove any ballot from the voting-room before the close of the polls. When a voter avows himself to be unable to read, he shall be required to make the following affidavit:

No other officer has the authority to take this affidavit but the clerk of the precinct at which the vote is to be cast, who is hereby specially authorized and empowered to take same. Such affidavits are to be returned by the election officers as all other papers used in the election, and shall be preserved one year thereafter by the same officer who is made custodian of the ballots. When the voter shall have made the above affidavit, the clerk of the election shall, in their proper order on the ballot, name the offices to be filled, but shall not name any candidate for any such office. As the voter names orally his candidate for each office, the clerk shall, with his pencil, mark a dot in the appropriate square. In case the name announced by the voter is not printed on the ballot opposite the office being voted for, the clerk shall write down the name in the

blank space provided therefor, and shall, with his pencil, mark a dot in the appropriate square. When a municipal question is to be determined, the clerk shall state the question as shown by the ballot, and shall, with his pencil, mark a dot in the appropriate square after the answer given. The clerk shall then submit the ballot for inspection to all the other officers of election and the properly appointed agents of the several candidates. The voter shall not have the aid of any person, ballot or paper in indicating to the clerk his choice of candidates for the various offices, but shall, unaided in any way, make oral declaration of his vote or candidate's name. The judges shall then deliver the ballot to the voter, and instruct him to retire alone into one of the compartments, and while there mark his ballot by making a cross-mark either in the squares showing dots in them, or in any other squares he may desire. Such voter shall vote in all other respects as other voters are required to vote.

§ 10. When a voter is, and avows himself to be, Blind voter. blind, and is found to be such by the concurrence of both judges and sheriff of the precinct, the clerk shall, after tearing the ballot from the stub and writing the word "Blind" on said stub, accompany him to one of the compartments, and there mark the ballot at his dictation. He shall then fold the ballot in the way other voters' ballots are required to be folded, indorse his (clerk's) name on one of the exterior sides thereof, and under it place the word "Blind." The voter and clerk shall then return to the voting-room, hand the ballot so folded to a judge, who shall, after the other officers and properly appointed agents of candidates shall have compared the consecutive number upon the slip or annex with that on the stub from which the ballot was torn, tear said slip or annex from the ballot, destroy same, and forthwith deposit the ballot in the ballot-box.

otherwise not to have been taken from the stub-book, or not to have been lawfully received from or deposited with the election officers by the voter having it, or which is not indorsed with the clerk's signature, or with the other indorsements required by this act, or which contains any marks or writing upon it other than provided for by this act, or which has been carried by any person outside of the voting-room, or shown to any one after same is marked, except as provided herein in the case of a blind voter, shall be void and shall not be put into the ballot-box, but shall be marked "Spoiled," and preserved and returned in a separate sealed envelope or package. Should any such ballot, or any ballot which has the slip or annex thereon, by inadvertence or otherwise, get into the ballot-box, such ballot or ballots shall not be counted, but shall be marked "Defective," and preserved and returned in a separate sealed envelope or package. Where a voter marks more candidates for one office than he has a right to vote for, or if for any reason it is impossible to determine the voter's choice for any office, the ballot shall be void as to that office only.

Voter who has
been voted by
fraud.

§ 12. When a person, in whose name a vote has already been cast, offers himself to vote, and it appears to the satisfaction of the judges that he is the true bearer of the registered name, they shall give him a ballot, but shall mark on the back thereof and on the stub the words "Voted on before," together with the registered name, and the ballot thus marked shall not be counted in declaring the result, but may be used in a contest over the election.

Duty of city
attorney.

§ 13. The city attorney or his assistant shall prepare and sign officially full instructions for the guidance of voters as to obtaining ballots, as to the manner of marking them, the method of gaining assistance, as to obtaining new ballots in place of those accidentally spoiled, and as to such other duties as this act imposes upon voters. The mayor shall cause the same to be printed and to be delivered to

the election clerk of the several precincts at the same time and in the same manner as he is required by this act to deliver the books of stubs and ballots, the affidavits, returns and instructions to election officers, provided for herein. The election officers shall post in each of the compartments one or more of these cards of instructions to voters, to the end that voters may the more readily understand their duties under this act. The mayor shall cause said instructions to be printed for two days prior to the election in the two daily newspapers in which he causes the list of nominations made to be printed, as hereinbefore provided.

§ 14. The polls at all municipal elections in Louisville shall open at seven o'clock A. M. and close at seven o'clock P. M., and the voting shall not be suspended during that time. Each ballot-box shall then be opened and the count shall at once proceed, without interruption, at the voting-room, until every vote for every candidate and on every municipal question to be determined is counted. Each candidate may be present at the count in person or by one properly appointed representative. If any candidate thus guilty be returned as elected, his election shall be declared void upon a contest, the facts constituting such corrupt practices being alleged and proved against him; and he may be examined as a witness against himself, as in actions by ordinary proceedings. But any candidate whose election is thus contested, and who shall be so used as a witness, shall not be held criminally responsible for any bribery or similar offense committed by him at or in relation to the same election.

§ 22. The Jefferson Court of Common Pleas and the Louisville Law and Equity Court shall have exclusive jurisdiction of all contests for municipal offices in the city of Louisville, including places in the general council or board of school trustees, in the manner hereinafter prescribed:

Contest.

First. A contest on the ground of ineligibility or corrupt practices of the apparently successful candidate, may be set on foot and carried on by any five registered voters of the city by filing a petition stating the grounds of contest, and directing the clerk to issue a summons thereon to said apparently successful candidate. Said summons shall state the grounds

of contest, and direct said apparently successful candidate to appear and answer as in other cases.

Second. A contest upon other grounds must be set on foot and carried on in the same manner by the candidate claiming to be entitled to the certificate of election.

Third. In either case the sheriff must serve or re- Duty of sher. ff. turn such summons on or before the twentieth day, Sundays included, after the election, which summons and return thereon shall be filed in the clerk's office of said court. In case, however, the sheriff for any reason is unable to serve said summons, he shall, notwithstanding, return the same on said day, and shall state in his return the reason why said summons has not been served, and the contest shall thereupon proceed as if service has been had. In contests under this act fees shall be charged by the officers of the court as in civil actions, and judgment for costs shall be rendered against the unsuccessful party. An alias summons can be issued after the expiration of twenty days from the filing of petition.

§ 23. The contestee's answer must be filed on or before the twentieth day after the service. No further or other pleadings than the petition and the answer shall be allowed. The trial of the contest shall be set by the court for the earliest practicable day. Evidence shall be taken as in ordinary actions. The decisions of such contest shall be final, and no appeal allowed therefrom.

§ 24. When the court trying the contest finds that the apparently successful candidate was, at the time of the election, not eligible, or that he was guilty of corrupt practices at such election, or was not elected, it shall declare the election for the position or office in contest void, and a vacancy shall arise to be filled by a new popular election. Such election shall be held within six weeks thereafter: *Provided*, That if the next regular election occurs within three months and not less than two weeks thereafter, the vacancy

shall be filled at such regular election. The mayor shall, in every case, name by proclamation the day of election, at least twelve days prior thereto.

§ 25. Any five registered voters of the city may, in like manner, contest the result of the vote on any municipal question submitted to the people. In that case, the notice of contest, instead of being served by copy, must, within the time above limited, be published in any English daily newspaper in the city of Louisville, and filed in said court, and subsequent proceedings take place as above, except that appeals may be taken in such cases as in other cases involving a similar amount. Any person or corporation interested in the declared result may answer; and should contradictory defences be offered by different persons or corporations, the court shall, on summary hearing, determine which of the parties appearing is most strongly interested in maintaining the declared result, and shall award such party the management of the defence of the contest.

Companies shall
not corrupt
voters.

First. When the people are called upon to vote on any tax or loan or indorsement in aid of any railroad company or corporation, the expenditure of any money by such company or corporation, or officers or stockholders thereof, whether officially or in their individual capacity, with a view to influence the result of the vote, shall be considered a corrupt practice within the meaning of this act, and shall render the result in favor of such tax, loan or indorsement void, so to be declared upon contest as hereinbefore provided for. The directors or officers or stockholders of the corporation or company may be examined in such contest like other witnesses; but any person so examined shall not thereafter be held criminally responsible for any bribery or similar offense committed at or with a view to such election.

§ 26. This act shall go into effect from and after its passage.

Approved February 27, 1890.

CHAPTER 267.

AN ACT to repeal an act, entitled "An act to prohibit the sale of intoxicating liquors in Caldwell county, and providing for a vote on same," approved May eighteenth, one thousand eight hundred and eighty-six.

Be it enacted by the General Assembly of the Commonwealth of Kentucky :

§ 1. That an act, entitled "An act to prohibit the sale of intoxicating liquors in Caldwell county, and providing for a vote on same," approved May eighteenth, one thousand eight hundred and eighty-six, and adopted by a vote of the people of Caldwell county at an election held in said county on the Tuesday after the first Monday in November, one thousand eight hundred and eighty-six, be, and the same is hereby, repealed.

§ 2. That before the foregoing section of this act shall take effect or be in force, there shall be an election held in said county on tenth day of May, one thousand eight hundred and ninety, to take again the sense of the voters of Caldwell county upon the question as to whether the prohibitory law now in force in Caldwell county, as described in the foregoing section, shall be repealed or remain in force, and for that purpose there shall be opened a poll at each and all of the voting-places in each and all of the voting precincts in said county, on the tenth day of May, one thousand eight hundred and ninety, and that the officers who held the regular election at the various voting-places in said county on the first Monday in August, one thousand eight hundred and eighty-nine, shall hold the election provided for herein; but in the absence of or failure of any of said officers to act, other voters may be selected or appointed to act in his or their stead as now provided by law; the judge of the Caldwell County Court shall appoint the necessary offi-

cers to hold said election at any voting-place in said county established since August in one thousand eight hundred and eighty-nine. That it shall be the duty of the clerk of the Caldwell County Court to furnish and prepare a poll-book for each of the voting places in said county; and each of said poll-books shall have two separate columns for the registration of the votes cast at said election. One of said columns shall have a printed or written heading thereon containing these words: "For the repeal of the prohibitory law now in force in Caldwell county, approved May eighteenth, one thousand eight hundred and eighty-six;" and those voting for the repeal of said law at said election shall have their votes recorded in said column by the clerk recording the votes given at said election upon said question as above stated. The other column shall have printed or written at its head these words: "Against the repeal of the said prohibitory law, now in force in Caldwell county, approved May eighteenth, one thousand eight hundred and eighty-six;" and those voting against the repeal of the said law shall have their votes recorded in said other column by said clerk of said election. The officers holding said election in each precinct and place of voting shall ascertain the result in each precinct or place of voting, and certify the same as now provided for by law in holding a general election for county officers in said county, showing how many votes for and how many votes against the repeal of said prohibitory law; and the sheriff, or other officer acting as sheriff at each voting-place, shall return and deposit the poll-book with the county court clerk within the time and manner now provided by law for the election of county officers; and the officers whose duty it is to correct, examine and compare the poll-books in said county for the election of county officers, shall, in the manner and form and within the time now required by law for said county officers, count and ascertain the votes cast on said tenth day

of May, one thousand eight hundred and ninety, upon said question, and make a certificate duly authenticated, showing the result of said election, and showing the number of legal votes cast for and against the repeal of said prohibitory law; and it shall be the duty of said county judge, or the person acting in his stead, to at once cause said certificate to be entered and recorded in the order-book of the Caldwell County Court; and if it shall appear from said certificate that a majority of the legal voters voting at said election voted in favor of the repeal of said prohibitory law, then said prohibitory law, as above described, and any and all other prohibitory or local option laws in Caldwell county, shall stand repealed as provided in the first section of this act; and it shall then be the duty of the judge of the Caldwell County Court to grant and issue license in said county for the sale of spirituous, vinous and malt liquors therein, when the applicant or applicants comply with the law now in force as provided by the General Statutes of Kentucky, the same as if no prohibitory law had ever been in force in Caldwell county.

§ 3. That it shall be the duty of the sheriff of Caldwell county to have this act printed in handbill form, and to post a copy thereof in at least two separate and conspicuous places in each voting precinct in said county, for at least ten days next preceding said election, to be held on the tenth day of May, one thousand eight hundred and ninety.

§ 4. That upon the failure of the clerk of the Caldwell County Court, or the sheriff of said county, to perform the duties required of them by this act, each one so offending by such failure shall be fined not less than one hundred dollars nor more than three hundred dollars, to be recovered by indictment before the Caldwell Circuit Court; and that any other officer of said election or comparing board failing to perform

his or their duty, shall be fined as now provided by law for the general county elections of said county.

§ 5. That the expenses incurred in providing for and holding the aforesaid election shall be paid by the county of Caldwell as elections for county officers are paid.

§ 6. That if a majority of legal voters voting at said election, as provided in the second section of this act, shall vote against the repeal of the said prohibitory law, then said election and this act shall be void and of no effect.

§ 7. Any ten or more legal voters of the county may institute and prosecute a contest as to said election, notice of which shall be executed on the county judge or county attorney of said county. And so far as may be, the contest shall be governed by existing laws in regard to contest of election for county officers, and appeal may be prosecuted as in such cases. For purpose of such appeal any two or more voters of the county may before, at, or within five days after their decision, enter themselves on the record of the contesting board as contestees, they and the persons instituting and prosecuting the contest becoming liable for costs as in other cases of "contest."

§ 8. This act shall take effect from and after its passage.

Approved March 1, 1890.

AN ACT to amend an act, entitled "An act to establish a system of common schools in the town of Corydon, Henderson county," changing the boundary thereof and adding same to other districts.

WHEREAS, It is represented to the General Assembly of the Commonwealth of Kentucky that the present boundary of the common school district of Corydon, Kentucky, is so large that it is very inconvenient for persons living in the distant parts to have their children attend said school; therefore,

Be it enacted by the General Assembly of the Commonwealth of Kentucky :

§ 1. That the territory of the common school district of Corydon shall consist of all that country lying within a circle described by a radius of one and one-half miles ($1\frac{1}{2}$), the center being the point where the school building now stands in the town of Corydon, instead of the boundary set forth in the act to which this is an amendment.

§ 2. All the territory lying without said circle, and within what is now the boundary of said district, shall be divided and added to other school districts of said county created under the statute laws of Kentucky, or new districts made, if the same will be more convenient for the residents thereof. The said districting shall be done by commissioners appointed by the judge of the Henderson County Court, upon application by any person living in said territory.

CHAPTER 302.

AN ACT to amend an act, entitled "An act to authorize the Carroll County Court to take stock in turnpike roads in said county, and the amendments thereto."

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

That the act, entitled "An act to authorize the Carroll County Court to take stock in turnpike roads in said county," and the various amendments thereto, be amended by adding thereto the following provisions, namely:

§ 1. Before any turnpike road company or corporation shall be entitled to aid or subscription for stock from the Carroll County Court it shall have completed one continuous mile of turnpike road in said county upon a road-bed not less than eighteen feet between the ditches, so shaped that the water will run from the center of the road-bed in opposite directions to the ditches, which must be not less than three feet wide, and so constructed that they will drain the road and themselves at all points, and not choke nor fill with dirt or debris, and with bridges and culverts of such dimensions, character and materials, and at such places, as the turnpike commissioner for said county may require, and with a grade not exceeding ten feet to one hundred feet, and with fills and cuts made at an angle not exceeding forty-five degrees, with not less than seven inches of limestone rock broken into fragments not exceeding five inches in diameter placed

on said road-bed not less than ten feet in width and seven inches in depth, and with limestone rock broken into fragments which will pass through a two and one-half inch ring, or gravel, free of earth, and dirt placed on said seven inches of limestone rock to the depth of not less than five inches ; or, if desired, said road-bed may be covered with gravel, free of dirt, sand or soil, to the depth of not less than fourteen inches, with the metal well shouldered on each side with earth the depth of the metal, and eighteen inches wide, so placed as to make an incline from the top of the metal to the road-bed. As each mile of turnpike road is built according to these specifications, or so that, in the opinion of said commissioner, it will be as good, if not better, than a road made according to these specifications, said commissioner shall report to the judge of the Carroll County Court, in writing, that one mile of turnpike road has been completed according to law by the company that built it, and thereupon said report shall be filed in said court, and the judge of said court shall deliver to said company a turnpike bond for eight hundred dollars, bearing interest from its date until maturity, at a rate not exceeding six per cent. per annum. Said bond shall be in the following language (with blanks filled by said judge), namely: Eight hundred dollars ; turnpike bond ; number —. Carroll county, Kentucky, promises to pay to the ——— company or order, the sum of eight hundred dollars on the first day of January, one thousand eight hundred and ———, with interest thereon from date until maturity, at the rate of ——— per cent. per annum. This bond will cease to bear interest at maturity if not then presented to the treasurer of said county for payment. Before said bond is delivered it shall be copied on the order-book of said county court by the clerk of said court, and when so copied and delivered it shall be valid and obligate, and bind Carroll county for its payment; but until it is so copied and delivered, it shall not be legal or of any value. Said bonds, when copied and delivered as aforesaid, shall be paid by the treasurer of Carroll county at maturity; and in order that the treasurer of said county may be able to pay them at maturity, the sheriff of Carroll county is required to pay the turnpike tax for each year on or before the first of January next thereafter; and the county court shall not permit him to execute his bonds for any year unless he has paid the turnpike tax in his hands for the preceding year to the treasurer of said county. Should there be a fraction of a mile in the completion of any turnpike road built under the provisions of this law, the company building the same, as herein required, shall be entitled to such proportion of eight hundred dollars as the fraction is part of a mile, and the county judge shall issue a county order for same, upon report of the commissioner. Upon the receipt of said bonds or orders, it shall be the duty of the president of the company receiving the same to pay said commissioner what the company owes him, and to deliver to the clerk of the Carroll County Court a certificate, stating that Carroll county is entitled to stock in said company to the amount of said eight hundred dollars. The clerk shall make an order filing said certificate, and keep the same in a box properly labeled in his office, and the justices of the peace for Carroll county shall represent said stock in the various companies granting said certificates; and said justices, as the representatives of Carroll county, shall each and every one of them be eligible to hold the offices of president, director, treasurer and secretary in said companies; and it shall be the duty of said justices, when they convene as a court with the county judge,

to appoint some one or more of their number to vote the stock of said county in such companies for such officers as may be elected by the stockholders of said companies. And they shall have the power to vote the stock of said company, and to hold an election for officers for said companies, on the day fixed for holding such elections by the charters of such companies: *Provided, however,* The county shall not elect a majority of the directors in any company from among the justices of the peace for said county, except in the event the individual stockholders fail to hold an election.

§ 2. It shall be the duty of the president of each company receiving such bonds from the county judge to make a report to the Carroll County Court of all the legitimate expenditures of his company in building its turnpikes, with proper receipts therefor filed with said reports, sworn to by said president as just and correct. Said report shall be filed by the clerk of the Carroll County court, who shall enter an order on the order-book for said court stating the total expenditures said report shows; and it shall be illegal for said company to issue certificates for more stock than said report shows was expended in building said turnpike.

§ 3. All the money received for tolls by the companies owning said turnpikes that have or may receive orders or bonds from the county for stock, shall be expended in keeping said turnpikes in good order and repair, and the president and directors of said companies may be required to make an exhibit of such tolls and the expenditures on said turnpikes at any time by the judge of the Carroll County Court, who may summon them to appear before him for that purpose; and upon their failure to appear, or make said report when so summoned, they shall each be fined in a sum not exceeding fifteen dollars by the judge of said court.

Penalties for fail-
ure to perform
duties.

§ 5. The president and directors of said turnpike road companies shall be liable to a fine not exceeding fifteen dollars each and costs, for each and every time they allow their turnpikes to remain out of repair and unfit for public travel for more than thirty days, and it shall be the duty of the county attorney to present them before the judge of the Carroll County Court for such failure.

Turnpike com-
missioner to be
appointed.

§ 6. The justices of the peace for said county shall appoint a turnpike commissioner, whose duty it shall be to see that the companies expecting aid from the county have their road-beds, culverts, and bridges properly made and constructed, and to see that the metal required by the first section of this act is properly placed on said road-bed, and that the turnpike is properly constructed, and, as each mile of turnpike road is completed, to report the same to the county judge if the same is as good or better than a road built according to the requirements of section one of this act. If the company desires the commissioner's attendance for more than two days on a mile, it must pay him for his attendance for each day over said

time at the rate of two and one-half dollars per day, and he shall be paid at the rate of five dollars per mile by the county for the services herein required of him.

§ 7. Ministers of the gospel and funeral processions shall not be required to pay toll on such turnpikes, and no toll shall be collected on the Sabbath from persons going to or from places of public worship. No more toll shall be charged for travel on such turnpikes than is necessary to keep them in good order and repair; and the directors shall determine the rates, which shall not exceed the rates of toll prescribed in the General Statutes for turnpike and gravel roads. Stockholders and directors shall be required to pay the same rates of toll that other persons are required to pay; and no compensation shall be allowed or paid to any officer of the company, except the officers may be allowed their individual buggy and horse-back toll free.

He shall perform such other duties as may be prescribed by ordinance, not inconsistent with this charter.

§ 25. It shall be the duty of the mayor to sign the proceedings of every meeting of the board of council when the same shall have been written up by the clerk. He shall sign all ordinances and resolutions passed by the board of council.

§ 26. The mayor shall have full power to suspend or dismiss any policeman from the force for any cause he may deem sufficient.

Chief of Police.

§ 27. The board of council shall, as soon as it is organized under this charter, and on its first meeting, or as soon thereafter as may be, and biennially thereafter, elect a chief of police, who shall hold his office for a term of two years, subject to the power of removal, for good cause, at any time by the board of council.

§ 28. The chief of police shall be second in command to the mayor at the head of the police force of the city. He shall attend all sessions of the board of council, execute the orders thereof, and preserve order thereat.

§ 29. The chief of police shall attend the sessions of the city court of Middlesborough, and act as the sheriff of said court. It shall be his duty to execute all the process, orders and judgments of said court, and he shall be entitled to the same fees for like services, and to the same remedies for collecting his fees,

that a sheriff is entitled to. It shall be lawful for the board of council to pay him a salary. in addition to his fees, of not exceeding five hundred dollars per annum, to terminate when he ceases to hold office. He may appoint a deputy, by and with the advice and consent of the board of council, who shall have the same powers, and perform all the duties required of the chief of police, except that he shall not have any command over the police force of the city.

§ 30. It shall be the duty of the chief of police, or his deputy, to cause proceedings to be instituted against any person carrying on any business, or doing any act for which a license is required, without paying such license: *Provided*, That no person permanently residing or doing business in Middlesborough shall be convicted of such offense without at least three days' notice in writing to pay said license. The notice shall be over the name of the chief of police, and may be on a form to be prescribed by the board of council.

§ 31. The chief of police and his deputy, if one be appointed, shall execute bond, with good surety to be approved by the board of council, to the Commonwealth of Kentucky, for benefit of whom it may concern, that they will faithfully discharge all the duties of the office, and pay over all sums of money that may come into their hands to the persons entitled thereto.

. *City Attorney.*

§ 32. The board of council, as soon as they are organized under this charter, or as soon thereafter as practicable, and biennially thereafter, shall elect a city attorney, who shall prosecute all pleas of the Commonwealth, and all warrants or proceedings instituted for violations of the ordinances or municipal regulations of the city, in the city court. He shall be entitled to the same fees for like services, and the same percentage of fines, penalties and forfeitures as is given county attorneys and Commonwealth attorneys

for similar services. The board of council may pay the city attorney a salary, not to exceed five hundred dollars per annum, in addition to his legal fees. No person shall be eligible for city attorney except he be twenty-four years of age, having been a practicing lawyer for at least two years, and a resident of Middlesborough for at least six months before his election, except the first one elected under this charter. He shall take the oath required by a Commonwealth's attorney, which oath shall be conformed to his office. The city attorney shall hold his office for a term of two years, subject to removal at any time for good cause by the board of council.

Judicial Department.

§ 33. The judicial powers of this corporation shall be vested in and exercised by a court, styled the "Middlesborough City Court," which shall be held by a single judge, called the "Judge of the Middlesborough City Court," who shall be elected by the board of council at its first meeting, or as soon thereafter as practicable, who shall hold his office for the term of two years, and who shall take the same oath that circuit judges are required by law to take.

§ 34. No person shall be eligible to the office of judge of the city court, unless he be at least twenty-three years of age, and shall have been a licensed practicing lawyer two years next preceding his election; and who, except the first judge elected under this charter, has resided within the limits of the city at least six months next preceding his election.

§ 35. When, from any cause, the judge of the city court fails to attend, or if in attendance, can not properly preside in a cause pending in such court, the attorneys of the court who are present shall elect one of the members of the bar then in attendance, who shall possess the same qualifications prescribed by this charter for the regular judge, to hold the court for the occasion; and he shall accordingly pre-

side and adjudicate, having first taken the oath as prescribed for the regular judge by this charter. The election shall be held by the clerk of the court; and in case of a tie, he shall give the casting vote; and if there be no clerk, by the city attorney; and if he be not present, by any member of the bar of that court whom the members of the bar present may select. The person thus elected, during the period that he acts, shall have all the power, and be liable to all the responsibilities, of the regular judge of said court.

§ 36. The judge of the city court shall be commissioned by the Governor; he shall be a conservator of the public peace, and may order arrests for all offenses against the laws of the State or ordinances of the city of Middlesborough, and for those committed within his presence he may order arrests without warrant. He may administer oaths, take depositions, grant injunctions, and issue attachments, in the same manner and under the same restrictions, and in the same cases, that county judges are now or may hereafter be authorized by law.

§ 37. The said judge shall be clerk of his own court, but it shall be lawful for him to appoint a deputy clerk, who may perform all the duties of clerk of said court, and who shall take the same oath of office as is required by law of a deputy clerk of a court.

§ 38. The fees of said judge, whether acting as judge or clerk, shall be the same in all cases as are now or may hereafter be given by law to officers performing like services; and fees and costs shall be taxed in cases in said court to the same extent, in the same way, and under the same regulations, as in courts having similar jurisdiction. The board of council shall have power by ordinance to pay said judge a salary, in addition to his fees, not to exceed five hundred dollars per annum.

§ 39. It shall be the duty of the said judge, on the first judicial day of each month, to furnish the city treasurer a statement, under oath, of all fines and

forfeitures paid to or collected by the chief of police during the month preceding, as may appear from the records of his court.

§ 40. The Middlesborough City Court shall have exclusive jurisdiction in all proceedings or prosecutions for the violations of ordinances of the city, and concurrent jurisdiction with the circuit court, but exclusive of the justices of the peace and of the county judge, of all violations of the penal laws of this Commonwealth arising within the limits of the city of Middlesborough, except cases of felony; and said court shall have power and authority to take recognizances from persons charged with offenses cognizable before said court, to appear and answer to the court, and to take recognizance for good behavior and to keep the peace, the same that the circuit courts have, and like power to take the same as forfeited and pronounce judgment thereon, and to enforce full compliance therewith. Said court shall have the power of a justice of the peace and of a county judge as an examining court; and shall have original concurrent jurisdiction without the limits of the city of Middlesborough, and co-extensive with the limits of Bell county, of all offenses within the jurisdiction of justices of the peace.

§ 41. The Middlesborough City Court shall have original jurisdiction, co extensive with Bell county, in civil actions in which the amount in controversy, exclusive of interest and costs, does not exceed two hundred dollars, which jurisdiction shall be concurrent with that of any other court in Bell county having jurisdiction within the limits before named.

§ 42. The said court shall have no jurisdiction of cases involving the title of real estate, or the enforcements of liens thereon; and in all actions begun in said court, if it appear that an adjudication upon the question of title to real estate, or the enforcement of a lien upon real estate, is necessary to a final settlement of the controversy, said court shall at once make

an order transferring the action to the Bell Common Pleas Court, or such court as may have at the time like civil jurisdiction, and shall forthwith cause the original papers in the case, together with a transcript of all orders made therein, to be filed in the office of the clerk of said court, and thereupon the action shall proceed in the last named court as if originally brought therein. The clerk of the Middlesborough City Court shall be entitled to a fee of one dollar for every case so transferred, together with his legal fees for making the transcript, to be taxed as costs against the unsuccessful party.

§ 43. Appeals shall lie from the judgments of said court to the Superior Court in all cases where the fine is two hundred dollars or more. In all cases where the fine is less than two hundred dollars, and more than twenty dollars, an appeal shall lie to the Bell Circuit Court. In cases where fines of twenty dollars or less are imposed or authorized under ordinances, the legality of such ordinances may be tested by the city by an appeal to the Bell Circuit Court, or by the defendant by a writ of prohibition from said court. Where any judgment shall be rendered by the Bell Circuit Court, as provided for in this section, either the city or the accused may appeal to the Superior Court.

§ 44. In all civil cases an appeal shall lie to the Bell Common Pleas Court, or any court having like civil jurisdiction, where the amount exceeds twenty-five dollars, exclusive of interest and costs, and under the rules and regulations prescribed by law for appeals from inferior courts to circuit courts.

§ 45. The Middlesborough City Court shall be a court of record, and have a seal, which shall be provided by the board of council, and kept in the custody of the judge of said court or his deputy clerk, if he shall so direct; and copies of the records of said court, certified over the signature of the judge, clerk or deputy

clerk, shall be evidence in any court of this Commonwealth.

§ 46. The said court shall be holden at such place within the city as the board of council may designate or provide; and in case no place shall be so designated or provided, at such place within the city as the judge may select.

§ 47. The Middlesborough City Court, so far as it is a police court or court of inquiry, shall always be open for the hearing and determining of such causes as are within its jurisdiction; and for the trial of civil cases there shall be a monthly term, to be held on the first Tuesday in each month, and continue as many days as the business may require.

§ 48. The said court shall have power to prescribe rules for the speedy and convenient administration of justice.

§ 49. The proceedings in said court shall be in the name of the Commonwealth of Kentucky, when the offense charged is a violation of the laws of the State; and in the name of the city of Middlesborough, when the offense charged is a violation of the ordinances of the city. The process shall be in the name of the Commonwealth of Kentucky; shall be made returnable to the city court of Middlesborough, and shall be directed to the chief of police, unless for special reason the judge of said court shall cause it to be directed to another, when it shall be directed to any sheriff, constable, or policeman. The process may go to any county in the Commonwealth.

§ 50. The fines and forfeitures recovered in said court in the name or in favor of the city of Middlesborough are hereby granted to the city of Middlesborough.

§ 51. All fines and forfeitures recovered shall be collected by the chief of police, or other officer to whom execution or *capias pro fine* is directed, and shall be paid by him to the city treasurer; but before the issual of final process the defendant may pay the fine

or forfeiture to the chief of police, who shall pay it to the treasurer as aforesaid.

§ 52. A return of "not found" on a *capias pro fine*, and of "no property found" on a writ of *fieri facias* issued on any judgment in the city court, shall authorize an attachment out of equity in favor of the Commonwealth or the city of Middlesborough against the choses in action or effects of the defendant or defendants, in the same manner that a return of "no property found" authorizes an attachment in equity on judgment in the circuit court.

§ 53. Upon all judgments of fines rendered by the city court, whether in favor of the Commonwealth or the city of Middlesborough, it shall be lawful for the city attorney to cause a "*fi. fa.*" to be issued, to be levied on the estate of the defendant; or to take a "*capias pro fine*," requiring the imprisonment of the defendant in the city work-house, if there be one, or the county jail, or confined at work upon the streets of said city, or in said work-house, at the rate of one dollar per day until the fine and costs are paid, unless such rate of wages shall be changed by the board of council; and when any fine or costs shall be paid by labor, the city shall not be liable to any officer for any part of such fine or cost.

§ 54. Witnesses in penal cases shall be allowed the same fees as are allowed witnesses in circuit courts, to be taxed as costs, and to be payable only in cases where judgment goes against the defendant.

§ 55. In all cases, where the amount involved is within the jurisdiction of circuit courts, all proceedings shall be governed by the provisions of the law governing proceedings in circuit courts. In all other cases the proceedings shall be governed by the provisions of the law governing police courts and courts inferior to circuit courts.

§ 56. In all cases where persons are presented to said court charged with an offense within its jurisdiction, the punishment of which is limited to a fine of

twenty dollars or less, the judge shall hear and determine the case, and impose such fine without the intervention of a jury. In all other cases the defendant may demand that the issues of fact be tried by a jury; and in all cases of drunkenness or disorderly conduct, in addition to imposing a fine, he may hold the offender to bail in any sum not exceeding one thousand dollars to keep the peace, and be of good behavior for any length of time not exceeding one year; or he may impose the fine without holding to bail; but in no case shall he hold to bail without imposing a fine; and thereupon the offender shall be forthwith committed to the work-house, station-house or county jail, and shall there be kept in custody until the bail be given, or the time for which it was required shall have expired, and until the fine and costs are paid or replevied, or satisfied by labor as provided by law.

§ 57. Whenever a vacancy shall occur in the office of judge of the Middlesborough City Court, the same shall be filled by the board of council for the remainder of the unexpired term.

Assessor.

§ 58. The board of council shall, during the month of September in each year, or as soon thereafter as practicable, and every two years thereafter, elect some person to be assessor of the city of Middlesborough, for a term of two years, who shall, before he assumes his duties, take an oath faithfully to perform the duties of his office, without favor to rich or poor, and shall execute a bond to the city of Middlesborough, for the benefit of whom it may appear, with one or more approved sureties, covenanting that he will faithfully discharge all the duties of his office. The board of council shall, by ordinance, fix the compensation of the assessor.

§ 59. No person shall be eligible to the office of assessor unless he be at least twenty-four years of age, a citizen of the State of Kentucky, and, except

as to the first assessor elected, a resident of Middlesborough for at least six months before his election.

§ 60. It shall be the duty of the assessor, on or before the second Monday in January in each year, to make a list of all the taxable property in Middlesborough, and return the same to the board of council. He shall list the soil as land, and everything attached thereto or built thereon as improvements; and such improvements, when owned by a person other than the owner of the soil, may be assessed in the name of the owner. He shall list real estate on his books by putting opposite the name of the owner or holder the number and block of each of his lots, according to the plat or plats of the Middlesborough Town Company, or other plats on record in Bell county, or which may hereafter be of record, together with the value per front foot, when the land fronts on a street or public way, and the aggregate value of each parcel of land. It shall be the duty of the assessor to obtain, at the expense of the city, copies of all recorded plats of lands in said city, or additions thereto, and to keep the same in his office, and to mark thereon from time to time changes in ownership, and subdivisions or aggregations of the lots. He shall list all and every kind of personal or movable property in Middlesborough, whether belonging to residents or non-residents, that is liable for State taxation, and in the same manner as provided by the law for the county assessor. He shall also list every male resident of Middlesborough twenty-one years of age or over. He shall list the residents of Middlesborough and owners of property in Middlesborough together, in one or more books, as near as possible in alphabetical order; and the said books shall be ruled in columns so as to show the above subject of taxation and values. The assessor shall value the several kinds of property at a fair cash value, and the amount of each kind of property shall be set out opposite the owner's name, together

with his head-tax, if he be a resident, upon said books.

§ 61. An assessment of any lands or improvements shall not be invalid for being made erroneously in the name of a person other than the true owner, nor shall the lien of the tax be affected thereby; but the assessor shall, upon learning his error, after notifying the true owner or owners by mail, correct the assessment in this respect; and all proceedings for the collection of the tax may then proceed, subject to the right of such owner to have the valuation corrected, upon showing good grounds at a meeting of the supervisors to be called for that purpose.

§ 62. It shall also be the duty of the assessor, if required by the board of council, to put applicants for license under their proper grade, under the license ordinances of the city.

§ 63. All property taxed according to value shall be valued as of the first day of November preceding in each year, and the person owning the same, or holding the same in the right of another, on that day, shall list it with the assessor, and remain bound for and pay the tax, notwithstanding he may have sold or parted with the property.

§ 64. All taxes levied under this charter shall be due and payable on the first day of May in each year, and the city of Middlesborough shall have a lien for taxes upon any and all property subject to taxation, which lien shall be superior to all incumbrances prior or subsequent.

§ 65. Where any tax-payer shall pay a license for doing any mercantile or manufacturing business, his stock of goods in the mercantile business, or his machinery and stock of raw material and manufactured goods in the manufacturing business, shall be taxed by ad valorem tax on only one-half of its assessed value.

§ 66. The assessor shall, before assessing any land or improvements, view the same by himself or an as-

sistant; and before assessing goods and chattels, go upon the premises where the same, or the greater part thereof, may be found. His failure so to do shall not invalidate the assessment; but a disregard of this duty will be a good cause for his removal by the board of council. Every person owning or holding taxable property in his own right, or as fiduciary, guardian or agent, shall return to the assessor or his assistants, when called upon, a true list of such property, real or personal, upon blanks therefor prepared by the assessor, together with the value of the property and amount of investments, and make oath thereto before said assessor, or one of his assistants, who are hereby authorized to administer the same.

§ 67. The assessor shall make diligent search among the conveyances and probated wills recorded in the Bell county clerk's office, and among the confirmations of sales in the Bell Common Pleas Court, and shall also, by personal inquiry, in his yearly rounds, seek to learn about every death among the owners of land or improvements in said city, by which the same may devolve upon others. He is directed not to assess any property in such a name as A. B's heirs, or A. B's devisees, or A. B's executor, or the like, but he may assess land or improvements thus: as "A. B's unknown heirs," or "unknown devisees," or the like, when the names can not be obtained, though diligent inquiries have been made. When the joint owners are more than three in number, three of the names, with the addition of "and others," shall suffice, and where remainders, reversions or future estates are outstanding, the holder of the particular estate shall be assessed with the words "holder of present estate" added to his name. But whenever the names of all the owners are not given, no lien for the taxes shall arise to the detriment of any purchaser from those not named, unless the assessment, by its own terms, or by reference to the city maps, identifies the land or improvements therein embraced.

§ 68. The assessor shall call on persons from whom taxes are collectable, and he shall administer to each one an oath to truthfully give in a full and complete list of taxable property of every kind in his or her possession, whether as owner or in the right of another, as of the first day of November last, and that he or she will true and perfect answers make to any questions asked concerning said taxable property; and he shall thereupon make out a list and assess the property of such persons. In the case of corporations, this section shall apply to one or more of the officers or agents of said corporation to be found in Middlesborough. If any person shall refuse to take such oath, or refuse to give in a list of his or her property, or the property of the person or corporation for which he or she may be agent, attorney or servant, the assessor shall assess the property from the best of his information.

§ 69. If any person, or officer or agent of a corporation, fail or refuse to give a list of his taxable property when called on so to do by the assessor, or give a false or fraudulent list, he shall be returned by the assessor on his books a delinquent; and it shall be the duty of the city court of Middlesborough, upon application of the assessor, to issue a rule against such delinquent, and compel true answers by process of contempt, and to adjudge against such delinquent the costs of the proceedings.

§ 70. The assessor, by and with the consent of the board of council, may appoint one or more deputies, whose compensation shall be fixed by the council, and who shall possess like qualifications, take a like oath, have like power, perform like duties, and give a like bond to the assessor.

§ 71. As soon as practicable after the supervisors have corrected the assessment lists, they shall be returned to the assessor, who shall from them make out the tax bills for ad valorem and head-taxes for the year in a stub book to be devised by him, and he shall

sign and turn them over to the collector of taxes and take his receipt therefor, showing the number of bills so turned over and the aggregate amount thereof.

Supervisors of Taxes.

§ 72. The board of council shall, in every year, appoint three discreet men as supervisors of taxes, and fix their compensation. The said supervisors shall qualify by taking oath faithfully to perform the duties of their office without favor to rich or poor; and they, or any two of them, shall meet in the office of the assessor on the Thursday following the second Monday in January in each year, and shall examine with care the assessor's books, and correct any errors of the assessor that may appear to them, whether in the names of the parties assessed or in the lists or value of the property or otherwise. They shall select a chairman by vote or lot, and he or either of said supervisors are hereby empowered to administer an oath to tell the whole truth concerning his taxable property to any person appearing to have an assessment corrected. The said supervisors shall hear the complaints of any tax-payer in person or by agent or attorney; and they may add to, diminish or increase any list of property, or the value thereof, or change the name of the party assessed, as may seem to them just. The said supervisors may adjourn from day to day until their work is completed, not exceeding two weeks. Any failure or informality in the election of said supervisors, or in their meeting or proceedings, shall not affect the validity of the tax.

Collector of Taxes.

§ 73. It shall be the duty of the board of council, on or before the third Monday in December, or as speedily as practicable thereafter of each year, and every two years thereafter, to elect some competent person to be collector of taxes of Middlesborough, who shall hold his office for a term of

two years, subject to be removed at any time by said board for good cause. The chief of police may be elected collector of taxes. It shall be the duty of the collector to collect all the ad valorem and head-taxes assessed under the provisions of this charter. He shall give a bond to the city of Middlesborough for the benefit of whom it may appear, with one or more sureties, to be approved by the board of council, to collect, account for and pay to the treasurer of said city, at such times and in such manner as may be prescribed by law or ordinance, all taxes due said city during his term of office, and to faithfully discharge the duties of his office. The board of council may notify the collector to give a new bond or additional sureties at any time, and upon his failure to do so within five days, or upon his failure to qualify and give bond within ten days after his election, it may vacate his office and elect another person.

§ 74. The collector shall take an oath faithfully to perform all the duties of his office. He shall account for and pay into the city treasurer all taxes and other public moneys for which he is bound, at such times and under such regulations as may be prescribed by the board of council. The compensation, fees and commissions of the collector, not otherwise provided for herein, shall be fixed by the board of council.

§ 75. The collector shall, from and after the day he receives the tax-bills in each year, proceed to collect the taxes due. Taxes paid by the fifteenth of February shall be reduced by a discount of three per cent.; those paid by the fifteenth of March, by two per cent., and those paid in by the thirtieth of April, by one per cent.

§ 76. All taxes unpaid on the first day of May shall thereafter bear interest at the rate of twelve per cent. per annum until paid, to be a lien on the property and otherwise enforced like the principal.

§ 77. The tax-bills to be made out and signed by the assessor shall have printed upon the back thereof the form of a distress warrant, running in the name of the Commonwealth of Kentucky, and directed to the collector of taxes of Middlesborough, in substance commanding him by distraint to make of the goods and chattels of the party assessed, by cash sale, the amount of his taxes, with interest added to the date of payment, with the commissions for the collector provided herein, and twenty-five cents costs for the warrant; and to return the warrant with his doings thereunder to the board of council on or before the first day of November in each year.

§ 78. It shall be the duty of the assessor to ascertain and take from the collector, on the tenth day of May in each year, all tax-bills in his hands which are unpaid at that date, and to fill up and complete and sign the blank distress warrant thereon, and deliver the same to the collector. This signature and attestation of the assessor upon the distress warrants shall be *prima facie* evidence that all steps in the levy and assessment have been properly taken, and that the bill is correct in all respects. The assessor shall take a list of the names and amounts contained in all such distress warrants, with the property described in the bill, and return such list to the board of council.

§ 79. The collector shall, during the months of May and June in each year, notify in person or by letter, and by advertisement in one or more newspapers, all persons who have failed, in whole or in part, to pay their taxes, that if the same, with interest, are not paid on or before July the first following, they would be collected by distraint; but the failure to give such notice shall not invalidate the distress warrant or the proceedings thereunder. The collector shall, between the first day of July and the first day of November (the return day of the warrant), in each year, except where the parties assessed are infants, persons of unsound mind, or fiduciaries assessed on behalf of a trust es-

tate, proceed to collect the unpaid taxes, with interest, and a commission to the collector of five per cent., by distraining the goods or chattels of the person owing the tax. When the goods distrained are themselves a part of the assessed property, or found upon the premises described in the tax bill, the levy of the warrant shall have priority over any mortgage lien, distress or attachment on said goods, except a levy for State tax. Where the person owing the tax is a married woman, the collector may distrain any property of her husband found upon the premises described in the bill. The levy, advertisement, sale and delivery to purchasers under the distress warrant shall be made in like manner, and be the same as in case of goods levied upon under execution on a replevy bond. The distress warrants, with the doings of the collector truly indorsed thereon, shall be returned by him to the board of council. Neither the want of a proper return or the falsity of a return, or the failure of the collector to do his duty, shall invalidate the city's lien on the property taxed, or any further proceedings to collect the tax. For any false return the collector shall be liable to the party aggrieved for all costs, commissions or damages arising therefrom.

§ 80. All tax-bills uncollected, in whole or in part, on the first Monday of May of each year, against any person (not under the disability of infancy, coverture or unsound mind) owning property in his own right, together with interest at twelve per cent. per annum, shall be deemed a debt from such person to said city arising as by contract, and may be enforced as such by all remedies given for the recovery of debts in any court of the Commonwealth otherwise competent for that purpose; and those bills assessed against an administrator, executor or trustee, shall be a charge against the whole succession or trust estate, and may be enforced accordingly in addition, in either case, to the other remedies herein given.

§ 81. Every guardian, committee, trustee or other

fiduciary appointed under the laws of Kentucky, or by a deed or will recorded in any county clerk's office therein, who has the management of any lands or improvements in said city, and every agent of a non-resident of Kentucky owning property in Middlesborough, who collects the rents thereof, shall, before the first of September of each year, pay out of the net income of such lands and improvements the city tax assessed upon the same in the preceding year, with accruing interest, before applying such income to the wants of or paying it over to his beneficiaries or employer, any instructions of the latter to the contrary notwithstanding; and in default thereof he shall be liable for such tax, to the amount of the income, which he might have so applied, which liability may be enforced in equitable proceedings, in which it shall not be an answer that the city has a security in its lien upon the lands and improvements.

§ 82. On and after the first day of November in each year, the collector shall proceed to notify all tenants of persons owing tax-bills that they must withhold their rents to the amount of such bills and interest thereon, and a commission of five per cent. The notices shall be in writing upon blanks, substantially in the form following: "The Commonwealth of Kentucky to the tenants of ———, a tax-payer of the city of Middlesborough, greeting: You, and each of you, are warned to withhold from (name of tax-payer) the rent due or accruing from you to him to an amount not exceeding (amount due on tax bills) dollars, with twelve per cent. interest, from the first day of May, one thousand eight hundred and ——— ———, and hold the same subject to the demands of the city of Middlesborough, until advised of the withdrawal of this garnishment.

"Witness: _____

"Collector of taxes of Middlesborough.

"_____ day of _____, 18—."

And they shall be served by copy, and the notice as returned kept by the said collector, and such service shall, until the tax is paid in full, with interest and commission, be a defense *pro tanto* to the tenant in any proceeding by the landlord for the recovery of the rent, and shall operate to transfer *pro tanto* to the city the rights and remedies of the landlord. The taxes on any parcel of property may thus be enforced out of the rents of any other parcel of the same owner or owners. The commission provided for herein shall go to the collector as compensation.

§ 83. On or before the first day of January in each year the collector shall make a full settlement before the board of council for all tax-bills put in his hands for collection during the preceding year; and he shall show that he has received the cash for such bills and paid the same to the city treasurer, or have the same duly returned, and show that he has made diligent effort to collect the same. The board of council, if satisfied that the collector has done his duty, shall give him a quietus; but said board may order the assessor to reissue any of such bills with an *alias* distress warrant, returnable on the first day of May following, and return them to the collector, with orders to make further efforts at collection, which bills must be finally returned by the first day of May following, unless proceedings for their collection are pending.

§ 84. On or after the first day of May, in the second year after the assessment, the board of council may direct suit to be brought by the city attorney, or other employed counsel, to recover any unpaid tax bills, and to enforce its lien to secure the same; which suits shall be instituted and conducted, in all respects, as suits to enforce a contract lien upon land. In such suits the Bell Common Pleas Court, or a court having similar jurisdiction, shall have jurisdiction of all amounts of twenty dollars and over, inclusive of

accrued interest ; and sums due for over one or more years, or on several parcels belonging to the same owner or owners, shall be included in the same petition and in the judgment. Where all the taxes remaining due by the same owner, or set of joint owners, with accrued interest, amount to less than twenty dollars, the city attorney, or other counsel, shall combine them in one action with other bills, or sets of bills, of amounts also less than twenty dollars, having due regard to the nearness of location in the assessed property, so that the aggregate of bills embraced in one suit may amount to fifty dollars or over. In actions for the sale of real property, the court aforesaid may determine annually, with or without written pleadings, the amount of any State tax or municipal tax or assessment due the city of Middlesborough, upon the property to be sold, and shall provide for the payment of the same in the judgment ; and, if the plaintiff fail to ask therefor, the purchaser shall be entitled, any time before payment of the purchase price, to a credit for the amount thereof.

City Treasurer.

§ 85. It shall be the duty of the board of council, during the month of June in each year, or as soon thereafter as practicable, and every two years thereafter, to elect a competent person to be treasurer of the city of Middlesborough for a term of two years, and who shall hold the office subject to removal for good cause at any time. The person elected treasurer, before entering into the discharge of duties, shall take an oath to faithfully perform all the duties of the office ; and said person shall execute a bond to the said city, with one or more sureties, for the benefit of whom it may appear, to be approved by the board of council, covenanting that he will faithfully keep and account for, according to law, all funds that may come to his hands as treasurer ; that he will, at any time, when called on by the board of council, settle his ac-

counts as treasurer, and pay over any money in his hands due the city to any person designated by the board of council, and that he will faithfully perform the duties of his office.

§ 86. It shall be the duty of the treasurer to receive and safely keep all money belonging to the city, and to pay the same under appropriations made by the board of council; but he shall only pay out money upon warrants drawn by the mayor and countersigned by the clerk of the board of council. He shall keep a fair and accurate account of all his receipts and disbursements, showing when, from whom and to whom, and for what purpose, and on what account, such moneys were received or paid, and shall exhibit the same, and furnish a copy thereof whenever called for by said board. He shall perform such other duties as may be required of him by ordinance, not inconsistent with this act, and shall receive such compensation for his services as the said board may provide.

§ 87. It shall be the duty of the treasurer to issue all licenses required under this charter and collect the money therefor, under such rules and regulations as the board of council may prescribe.

§ 88. If the treasurer fails to execute his said bond for twenty days after his appointment, the office shall, by order of the board of council, be declared vacated, and the vacancy be filled by the said board. The board of council may at any time require and notify the treasurer to execute a new bond or give additional security; and upon failure within five days after such notice to execute new bond or give additional security, the office may, by order of the board, be declared vacated and another person elected.

Elections.

§ 89. All elections by the people under the provisions of this charter shall be held on the second Tuesday of May in any year.

§ 90. The board of council shall, before such elec-

tion, appoint as officers thereof for each precinct three reputable and discreet persons, one as a judge and the other as clerk, and one as sheriff. Said officers shall be sworn faithfully to perform their duties by the city judge or any magistrate. If, from any reason, the said appointees do not act, it shall be the duty of the judge of the Middlesborough City Court to appoint other persons in their stead; and if the said judge refuses or fails to act, the chief of police may fill the vacancy by the appointment of competent persons. Officers of town elections shall perform similar services, be entitled to like pay, liable to the same penalties, and governed in all matters not inconsistent with this charter, and in the same way, as the officers of State elections, and shall be paid by the city.

§ 91. Every citizen qualified under the laws of the State to vote, and who has before said election paid his head or poll-tax for the preceding year, but none other, shall be entitled to vote at said municipal elections; and a list of the delinquent tax-payers shall be furnished the judge of said election by the said board of council. Said elections shall be conducted in all respects like a State election.

§ 92. All municipal elections in the city of Middlesborough shall be held at such voting-places as may be designated by the board of council from time to time. The board of council may at any time divide the city of Middlesborough into wards, and establish voting-places therein; or they may establish precincts in said city, and change the same. Every voting-place, ward, or precinct must be designated or established at least sixty days prior to the next succeeding election. Notice of the establishment of any ward or precinct, or designation of any voting-place, or of any change in any ward or precinct or voting-place, shall be posted in at least five of the most public places of the district, precinct, or ward affected, and shall likewise be published in some

newspaper in Middlesborough for at least two weeks prior to the next succeeding election.

§ 93. The officers conducting the municipal elections herein provided for shall, within two days after the election, certify under oath to the board of council the names of the persons elected, and return the certificate, together with the poll-books, to said board, and the certificates so returned shall be recorded by the clerk of said board in his official book.

§ 94. Whenever any two or more persons shall receive the highest and an equal number of votes for the same office, such election may be determined by lot in such manner as the board of council may direct. The municipal elections provided for in this act may be contested in the manner provided by law for contested elections of county officers.

§ 95. For the purposes of the first election to be held under this charter, the city of Middlesborough is hereby divided into two precincts; the first precinct shall consist of so much of the territory above defined as lies north of the center line of Cumberland avenue, extended on either end, to the limits of the city, and the voting-place therein shall be at or near the corner of said avenue with Twentieth street, on the north side of said avenue; and the second precinct shall consist of so much of the said territory as lies south of the line aforesaid, and the voting-place therein shall be on the south side of said avenue, at or near the office of the Middlesborough Town Company. At said first election, every voter who has resided for sixty days in one of said precincts, and is otherwise qualified under the laws of this State, shall be entitled to vote in his proper precinct; but nothing in this section shall be construed to change the qualifications of voters at subsequent municipal elections, or to abridge the power of the board of council to hereafter fix or alter the precincts in said city as provided in this charter.

§ 96. At the first election to be held under this charter, it shall be the duty of the county judge of

Bell county to appoint persons to act as judge, clerk and sheriff of the two precincts above-named, which persons shall take an oath faithfully to perform the duties of their respective offices before said judge or any magistrate; and if any of the officers so appointed fails to attend, those or the one present may fill the vacancy.

§ 97. When at any election there shall be opposing candidates or parties, it shall be the duty of the board of council to divide the officers of election in the several precincts, as near equally as may be, between the friends and supporters of the several candidates and parties.

Public Ways.

§ 98. Public ways, as used in this act, shall mean all public streets, alleys, sidewalks, roads, lanes, avenues, highways and thoroughfares, and the same shall be under the exclusive management and control of said city, with powers to improve them by original construction or to re-construct them, as may be prescribed by ordinance.

§ 99. All streets, alleys, roads and public ways, which may hereafter be conveyed or dedicated by the Middlesborough Town Company or other person to said city, within the boundary of said city, or acquired by condemnation, are hereby declared to be the streets, alleys, roads and public ways of Middlesborough.

§ 100. The board of council may, by ordinance, cause any new public way to be opened, or old public way to be extended or widened, or may establish any market; and to that end may purchase any necessary land, or may procure the same to be condemned by the same proceedings now or hereafter given by law to railroad companies in like cases.

§ 101. The board of council shall have power to cause any of the public ways to be graded, paved, macadamized, curbed or guttered, in such manner as it may, by ordinance, prescribe.

§ 102. The original construction of any street, road, alley or avenue shall be made at the exclusive cost of the owners of lots in each fourth of a square, to be equally apportioned by the board of council according to the number of square feet owned by them respectively, except that corner lots (for twenty-five feet front, and extending back as may be prescribed by ordinance) shall pay twenty-five per cent. more than others for such improvements. Each subdivision of territory, bounded on all sides by principal streets, shall be deemed a square. When the territory contiguous to any public way is not defined into squares on either or both sides by principal streets, the ordinance providing for the improvement of such public way shall state the depth on the side or sides not defined in the square fronting said improvement to be assessed for the cost of making the same, according to the number of square feet owned by the parties respectively within the depth as set out by the ordinance.

§ 103. The cost of reconstructing public ways, streets or alleys, or repairing or keeping clean the same, and the cost of making foot-way crossings, shall be borne exclusively by the city.

§ 104. The cost of making sidewalks, including curbing, whether by original construction or by reconstruction, shall be apportioned to the front foot as owned by the parties respectively fronting said improvements, except that each corner lot shall have its sidewalk intersection included in its frontage.

§ 105. The board of council shall have power by ordinance to cause the digging and walling of public wells and cisterns, and placing fire-plugs and attachments to the street water-pipes on the public ways within said city, and to apportion the cost thereof against the owners of lots fronting the public ways to the middle of each square from the intersection at or near which the work shall be located, or by any other equitable mode of apportionment which

said council may, by ordinance, prescribe; and liens shall exist against such lots for the respective apportionments, with like effect and like remedies as provided herein for the improvement of public ways. The cost of reconstructing or repairing wells, cisterns or fire-plugs, and attachments to street water pipes, shall be borne exclusively by said city; and such reconstructing or repairing shall be done in such manner as the board of council may prescribe.

§ 106. A lien shall exist for the cost of the original improvement of public ways, for the reconstruction of sidewalks, for the digging and walling of public wells and cisterns, and for the making of fire-plugs and attachments to street water-pipes, to take effect from the acceptance of the work by the city engineer; for the apportionment and six per cent. per annum interest thereon against the respective lots; and payments may be enforced upon the property bound therefor by suit in equity; and no error in the proceedings of the board of council shall exempt from payment or defeat said lien after the work has been done as required by ordinance; but the board of council, or the courts in which suits may be pending, shall make all corrections, rules and orders, to do justice to all parties concerned; and if such improvement be made as provided for by ordinance, in no event shall said city be liable therefor, without the right to enforce it against the property receiving the benefit thereof; but no ordinance, for any original improvement mentioned in this charter, shall take effect until it is passed by a yea and nay vote at two meetings of the board of council at least two weeks apart, at least four councilmen voting in the affirmative, and until the ordinance, as first passed, shall have been published for at least one week in some newspaper in said city, unless said improvement be asked by a petition signed by persons owning a majority of the property liable therefor, when the ordinance may be passed at one meeting of said board by a majority yea and nay vote.

§ 107. All public work ordered by the board of council shall be let by the mayor, under the advice of the city engineer, to the lowest best bidder whose sureties are approved. Bids for such work shall be according to form or specifications furnished by the city engineer, and signed by the contractor and his sureties, and inclosed in a sealed envelope, which shall not be opened until the day fixed for closing the bids, and then by the city engineer, in the presence of the mayor; and when such contracts are approved by the board of council, they shall take effect. But work costing one hundred dollars or less need not be let to the lowest bidder.

§ 108. The board of council may, in its discretion, upon the petition of the majority of the property-owners on the part of a public way proposed to be improved, or well or cistern proposed to be dug and walled, grant them permission to do such work under the supervision of the city engineer, and in such time and on such condition as the said council may fix.

§ 109. In all actions to enforce liens as authorized by this act, a copy of the ordinance authorizing the improvement or work, a copy of the contract therefor, and a copy of the apportionment, each attested by the clerk of the board of councilmen, shall be proof of the due passage, approval and publication of the ordinance, of the due execution and approval of the contract, and shall be *prima facie* evidence of every other fact necessary to be established by the plaintiff in such actions to entitle him to the relief authorized to be given in this act; and in such actions the court shall provide in its order confirming any report of sale that the defendant, or either of them, or any one claiming through or under them, or either of them, or any creditor of theirs, or either of them, may, within two years from the date of such order confirming a report of sale, redeem the lands sold by paying to the purchaser the purchase price, with interest thereon from

the day of sale, at the rate of ten per cent. per annum, and all the taxes and assessments on and against such land paid by the purchaser, with interest thereon at the rate of ten per cent. per annum from the date of such payments; and in the event that there be no redemption within the time allowed, the order of confirmation shall be final, and a deed shall be executed to the purchaser or his assignee.

§ 110. The clerk of the board of council shall make out all apportionment warrants for which liens are given for improvements of public ways, wells, cisterns and water-plugs, as may be required by ordinance, and within two days thereafter shall enter the same upon a register for that purpose; and when the holder of said warrant shall have obtained payment, he shall notify the clerk of the board of council, and it shall be marked upon the register as paid. The clerk of the board of councilmen shall be allowed a fee of ten cents for the entry and indexing of such lien. A lien shall not be valid against a purchaser for valuable consideration without notice, unless it shall be so entered and registered within three months of the issuing of the apportionment warrant.

§ 111. The following steps shall be taken to fix a lien for the cost of public improvements on the adjoining lots:

First. An ordinance must be passed by the council, as provided herein, defining the improvement to be made.

Second. The mayor must advertise for contracts and award the work to the lowest best bidder.

Third. The contract with such bidder must be approved by the council.

Fourth. The work must then be done under the supervision of the city engineer.

Fifth. The work being completed, the engineer shall, if it be in accordance with the ordinance and contract, accept it, and report it to the council, to-

gether with a list of the lots and their dimensions, and the owners thereof.

Sixth. The council then must apportion the work, as provided herein, among the owners of lots.

Seventh. The clerk of the council shall issue warrants against the lot-owners in favor of the contractor, stating the amount due him, which shall bear interest from the time of acceptance of the work by the city engineer, and specifying the name of the owner, and give a short description of the lot subject to lien. Warrants so issued shall be *prima facie* evidence that all proceedings preliminary thereto have been complied with as required by law. Upon this warrant the contractor, or his assignee, may bring suit in equity in the Bell Court of Common Pleas, joining all unpaid warrants growing out of the same contract in one suit; which shall in all respects be conducted like the suits upon liens on land.

City Engineer.

§ 112. It shall be lawful for the board of council to elect a city engineer, to hold his office for a term of two years; the time of his election, his salary and duties, shall be as may be fixed by ordinance, except as provided herein.

§ 113. The city engineer shall have as many assistants as the board of council may prescribe. He shall have the direction and supervision of the improvement and repairs of public ways, and other public works; the making of sewers and drains; straightening, dredging and control of Yellow creek. He shall establish the grades of all public ways, and keep a record thereof; make and keep correct maps of said city, and perform whatever other duties that may be imposed upon him by ordinance. The board of council shall pass all needful ordinances to give efficiency to this department.

General Provisions.

§ 114. The board of council shall have power to fill vacancies in any office to which it has the right to elect or appoint.

§ 115. For the purposes of taxation, the city of Middlesborough is hereby declared to be one district as to schools and school-buildings. It is also declared to be one district for taxation, for public buildings, bridges, sewers, the dredging, straightening, cleaning and controlling Yellow creek, and for all purposes of a general and public nature.

The board of council may borrow a sum not exceeding twenty thousand dollars for the expenses of the city government between the time of its organization and the collection of the first tax, and provide for repayment thereof out of the revenues of the first year, and, if necessary, levy a tax during that year for that purpose.

§ 118. Whenever in this charter the Bell Common Pleas Court, the Bell Circuit Court, or the Superior Court, are referred to, said courts, or either of them, shall be construed to be any courts of the like or requisite jurisdiction.

§ 119. Every citizen of Middlesborough shall be exempt from working on the county roads of Bell county.

§ 120. If, at any time, there shall be no newspaper published in the city of Middlesborough, any publication or advertisement required in this charter shall be made by printed or written notices posted for the time required herein on the building where the board of council shall hold its meetings. The clerk is directed to conform the numbering of the sections and

subsections of this charter to the foregoing amendments.

§ 121. This act shall take effect from and after its passage.

AN ACT to amend an act, entitled "An act to incorporate the Lexington Hydraulic and Manufacturing Company," approved February twenty-seventh, one thousand eight hundred and eighty-two.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

§ 1. That the fifth section of the act to which this is an amendment, and all that portion of the fourth section of said act from and including the words, "and to agree with the owner or owners of any lands, tenements, or hereditaments, and so forth," down to the end of said fourth section, be, and the same is hereby, stricken out, and that the following be, and the same is hereby, substituted in lieu thereof, namely: Said

company shall have the power, from time to time, in its discretion, to purchase, in fee or lease, and to take conveyance from the owners thereof, any lands, tenements or hereditaments that may be needed to enable it to accumulate and furnish a plentiful supply of water to the city of Lexington and its inhabitants; and if, in order to secure such lands as may be needed, it shall be necessary for it to purchase more than is needed for said purpose, it shall have the power to purchase and take conveyance of same, and to sell and convey such part as it does not need; but it shall not hold such excess over what it may need for a longer period than five years. It shall have the power to agree with the owner of any lands, tenements or hereditaments that may be needed for use in, or may be damaged by, any of said operations, for and about a reasonable compensation to be made for such use or damage which such owner may sustain by the employing, directing, or obstructing any stream, or the making, raising, cutting, or laying any dams, reservoirs, dykes, mounds, aqueducts, canals, trenches, pipes, or conduits, or any other act or operation authorized or contemplated by this act.

§ 2. If said company shall for any reason be unable to contract with the owner of any land, tenements or hereditaments for the purchase or lease of such as may from time to time be necessary for its purposes, or for a reasonable compensation for the use of or damage to such as may from time to time be used in or damaged by the aforesaid operations, it shall file in the office of the clerk of the Fayette County Court a petition containing a particular description of the land which it needs to acquire or use, or which may be damaged by it, and stating the purposes for which the condemnation of such land is desired, and giving the name or names of the owner or owners of such lands, tenements or hereditaments, and of any person having an interest therein, and praying for the condemnation thereof, to the extent or for the purpose

desired. It shall thereupon be the duty of said court to appoint three impartial housekeepers of said county as commissioners, who, after having been first sworn to faithfully and impartially discharge their duties, shall view the lands described in the petition and assess the value of the interest or estate sought to be acquired, and the damages, if any, resulting to the adjacent lands of the owner, deducting, however, from such incidental damages the value of the advantages or benefits, if any, that will accrue to such adjacent lands from the prudent conduct of the operations proposed; or if only the right be sought to use or affect the land described for some specified purpose or purposes, the commissioners shall assess the damages resulting therefrom. And said commissioners shall, upon the completion of same, return their report in writing to the court.

§ 3. Upon the filing of said report the owners of and persons interested in said land shall be summoned to show cause why the same shall not be confirmed, in the same manner that defendants in civil action are required to be summoned. The clerk shall issue such summons, and if the defendants, or any of them, be non-residents or under disability, he shall, upon the conditions prescribed in the Civil Code, make as to them such orders as are required by the Civil Code as to such defendants in civil actions. At the next regular term of said court commencing after the defendant shall have been summoned the length of time prescribed by the Civil Code, it shall be the duty of the court, if said report be in conformity to this act, to confirm the same and render judgment pursuant to its terms, to the extent that no exceptions have been filed thereto. If exceptions shall be filed by any party, the court shall forthwith empanel a jury to try the issues of fact made by the exceptions; and in trying any such issue that may be made as to the amount of damages, the jury shall be governed by the rules above prescribed as to the commissioners, and may be

sent by the court, in its discretion, to view the land in question. If sufficient cause be not shown for setting aside the verdict and awarding a new trial, the court shall render judgment in conformity thereto.

§ 4. Upon the rendition of judgment as hereinbefore provided for, and payment or tender to the owners of the amount due as shown by the judgment, and of the costs adjudged to them, the estate or interest or tenement, as the case may be, which may be condemned, shall immediately vest in said company, which shall thereupon have the right to immediate possession and use; and the court shall cause a commissioner, appointed by it for the purpose, to convey by deed such estate, interest or easement to said company, and shall enforce by all appropriate orders or writs the said right to immediate possession and use. If there be more than one defendant, the said company may pay the amount due under the judgment and the costs into the court, such payments to have the same effect as if paid to the owner in person; and it shall be the duty of the court to ascertain the interest of the respective owners and apportion the same amongst them.

Appeal.

§ 5. Either party may appeal to the circuit or common pleas court for said county from the judgment of the county court, when rendered upon the verdict of a jury: *Provided*, Such an appeal be taken within thirty days after the rendition of such judgment. The party appealing shall file in the office of the clerk of the court to which the appeal is taken a statement of the parties to the appeal, and a transcript of the orders of the county court; and thereupon said clerk shall certify to the clerk of the county court that said appeal has been taken, and the latter shall immediately transfer the papers into the clerk's office of the court to which the appeal is taken. The exceptions to the report shall be tried *de novo* upon the appeal, and if no sufficient cause be shown for setting aside the verdict and granting a new

trial, judgment shall be rendered in conformity to the verdict. If it shall appear that the amount awarded by the county court has been paid, and the verdict on the appeal shall be for a greater amount, judgment shall be rendered in favor of the owner for the difference; and if it be for a less amount, judgment shall be rendered in favor of the company for the difference. If the amount awarded by the judgment in the county court has not been paid, judgment shall be rendered for the amount ascertained by the verdict on the appeal. The party as to whom the judgment on the appeal shall be less favorable than that in the county court, shall pay all the costs of the appeal. If, on the appeal, it shall appear that the company has not obtained the possession of the deed provided for in the fourth section of this act, the court trying the appeal shall have full power to secure to the company such possession, and to cause such deed to be made by its commissioner.

§ 6. The power hereby conferred of condemnation, and of purchasing or leasing or agreeing with the owners of land touching a compensation for the use of or damage to same, may be exercised from time to time, and as often as may be necessary in the judgment of said company to enable it to accumulate and furnish to said city and its inhabitants a plentiful and adequate supply of water; and in any and all losses when land is purchased or condemned for purposes of a reservoir, or for the collection and storage of water, said company shall have the sole and exclusive occupancy, use, possession and control of such land, and the right to prohibit the entry thereon of any and all persons whatsoever, for any purpose whatsoever, except by its consent.

§ 7. This act shall take effect from its passage.

A majority of the members elected to either of said boards shall constitute a quorum for the transaction of business.

§ 22. Each board shall elect a president and vice-president from its own body, and it shall be the duty of the president to preside at all meetings; but in his absence the vice-president shall preside; and in the absence of both officers, a president *pro tempore* shall be elected. All officers required to be elected by either board shall be elected *viva voce* upon roll-call, and the vote of each member voting shall be recorded on the journal of the board.

§ 23. Each board shall meet at least twice each month, on such days as it may select; but both boards shall not meet upon the same day; nor shall either board meet on the day after the meeting of the other board: *Provided*, That if such boards, at any time, appoint meetings, or be called to meet on the same day, the councilmen shall have precedence on any Tuesday, Thursday or Saturday; and the board of aldermen shall have precedence on any other day.

§ 24. Every legislative act of the common council, and every contract or agreement entered into in behalf of the city, shall be by ordinance, resolution, or order which shall have passed the two boards. Any ordinance, resolution, or order may originate in either

board ; and when it has passed one board, may be rejected or amended in the other ; and at least one week shall elapse after the passage by one board of any ordinance involving the expenditure of money, or approving or granting of any contract involving the payment of money, or the granting of any privileges or any rights, or the creating of any rights, before the passage of the same by the other board. All ordinances, resolutions or orders shall be recorded in full upon the journal of both boards. All agreements or contracts shall be recorded in full in the journal of both boards, or special book or books provided for the purpose.

§ 25. The vote of a majority of all the members elected to each board shall be necessary to pass any ordinance, resolution or order, in which the expenditure of money, the approval or granting of a contract, the granting of a franchise, or the granting or creating of a right is involved, and the vote upon all such measures shall be taken by the call of the yeas and nays. The vote of each member voting shall be recorded in the journal of the board. Every ordinance, resolution or order or contract made or approved by both boards, shall, before it takes effect, be presented, duly certified by the clerk, to the mayor of the city for approval.

§ 26. The mayor, if he approves such ordinance, resolution, order or contract, shall sign it, but if he does not approve it, he shall return it with his objections to the board in which it originated, within ten days thereafter, or if such board is not in session, at its next meeting thereafter, which objections the board shall cause to be entered in full upon its journal: *Provided*, The mayor may approve the whole, or any item or part of any such ordinance, resolution, order or contract presented to him for his signature, and the whole or any item or part of any such ordinance, resolution or order so approved by the mayor shall become obligatory, and if he does not

return the same within thirty (30) days after he has received the same from the clerk, he shall be held to have disapproved the same.

§ 27. When the mayor refuses to sign any such ordinance, resolution, order or contract, or part thereof, and returns it to the proper board with his objections, or shall have failed to approve the same as above provided, the board shall, after the expiration of not less than ten days, proceed to reconsider the same, after first notifying the other board of the action of the mayor; and if such ordinance, resolution, order or contract is approved by the vote of two-thirds of all the members elected to each board, in separate sessions, it shall then take effect as if it had received the signature of the mayor; and in all such cases the votes of each board shall be determined by the yeas and nays, and the votes of each member voting shall be recorded for or against the adoption of such ordinance, resolution, order or contract on the journal of the board.

§ 28. No member of the common council, nor shall the mayor or any municipal officer, be directly or indirectly interested in the profits of any contract, job work, or services for the corporation, or act in any way or manner as an employe under any contract made or entered into on behalf of the city, during the term for which he is elected or appointed, or for one year thereafter; and any person violating the provisions of this section shall, upon conviction, upon indictment by the grand jury, be fined not less than five hundred nor more than twenty-five hundred dollars, and shall forfeit his office and be rendered incapable of holding any municipal office, or position of trust, honor or profit under the municipal government of the city of Covington for a period of five years after such conviction.

§ 29. The city clerk shall be *ex officio* the clerk of both boards of the common council.

§ 30. No person shall be eligible as a member of the

common council who holds any municipal office, or is an employe under the government of the corporation, or who has any contract with the city, or who is less than twenty-five years of age. No person shall be eligible as a member of the board of aldermen who has not been an elector and a resident of the city for three years next prior to his election, and who is not at the time of his election a housekeeper in the city. No person shall be eligible as a member of the board of councilmen who has not been an elector and a resident of the city for three years, and of the ward from which he is elected three months prior to his election.

§ 31. The common council shall have all the power and authority that is now vested by law in the city council, except as herein changed; and the compensation of the members of the common council shall be fixed as the compensation of the members of the city council is now fixed.

§ 32. Upon the election and qualification of the members of the common council as herein provided, the present city council of the city of Covington shall be and become abolished, and all its powers, privileges and rights shall thereupon cease and determine.

Street Paving.

§ 33. The common council, in addition to the powers heretofore conferred, shall have authority to cause any of the streets, avenues and highways of said city to be improved with granite block or asphalt pavement, and the method of procedure in such case shall be as follows:

First. A careful estimate shall be made of the cost of said work, including the material to be furnished therefor.

Second. Council shall declare by resolution the necessity of such improvements, and shall publish said resolution once a week, for three consecutive weeks, in some newspaper published and of general circulation in the city of Covington. All plans and profiles

relating to the improvement shall be kept on file from and after the first publication of said resolution, in the office of the city clerk or city civil engineer, for the inspection of all parties interested.

Third. Council shall have full and final authority in any such improvement to make such change or changes in the grade of any streets, avenues or highways to be so improved as it may deem necessary to best conform the same to such contemplated improvement, and such change of grade shall be published with the advertisement of the resolution as hereinbefore provided; and council, before making such improvement, shall have all necessary sewers made and cause water and gas-pipes laid and connections laid, from the main line or pipe, in such street, avenue or highway, to the curb-stone, and may include in such improvement such reconstruction of the curb as it may deem necessary.

Fourth. The owner of a lot or land abounding or abutting upon any such improvement, claiming that he will sustain damages by reason of the improvement, shall file his claim for damages, if any, in writing, with the clerk of the city, within two weeks after the completion of the publication of the resolution hereinbefore required, and shall set forth the amount of the damages claimed, together with a general description of the property with respect to which it is claimed the injury will accrue; and an owner who fails to do so shall be deemed to have waived the same, and shall be barred from filing a claim or receiving damages; and this provision shall apply to all damages that will obviously result from the improvement, but shall not deprive the owner of his right to recover other damages arising, without his fault, from the negligence of the corporation or its agents, during the progress of the work.

Fifth. At the expiration of the time limited for filing claims for damages, the council shall determine whether it will proceed with the proposed im-

provement or not ; and if any such claims have been filed, they shall be judicially inquired into before commencing the proposed improvement. Such inquiry shall be upon written application of the city solicitor for a jury to the Kenton County Court ; and such proceedings shall be conducted, in the same manner as proceedings for the appropriation or condemnation of real estate by such city for the public use, so far as the same are applicable ; and the assessment of damages shall be confined to the claims filed as aforesaid. The finding of the jury shall be final, and there shall be no appeal. In cases in which the jury finds no damages, the costs of the inquiry shall be taxed against the claimant and be collected on execution ; in other cases, the court shall render judgment on the verdict and furnish the clerk of the city, on application, a statement of the amount of damages and costs in each case.

Sixth. After the determination of council as aforesaid to proceed with the proposed improvement, and after the ascertainment of the damages, if any, for which claims have been filed as aforesaid, council shall advertise for bids for the execution of the proposed improvement once a week, for a period of four weeks, in some newspaper published in said city, and in one newspaper published in Louisville, Kentucky, and one published in Cincinnati, Ohio.

Seventh. Such bids shall be filed with the clerk of the city, sealed up by twelve o'clock at noon on the last day, as stated in the advertisement.

Eighth. Immediately upon the expiration of the time fixed for the receiving of said bids, the bids received shall be opened publicly, in the presence of the mayor, city clerk and city auditor, or a majority of them, who shall certify the same by subscribing their names thereto. The city clerk shall present all of said bids so received and opened to the council at its next regular meeting held after said bids were received.

Ninth. Each bid shall contain the full name of

every person interested in the same, and shall be accompanied by a sufficient guaranty of two responsible disinterested persons, that if the bid is accepted, a contract will be entered into and the performance of it properly secured.

Tenth. The bids shall be upon blanks to be furnished by council, and shall refer to the specifications and the forms of contract to be entered into, if the bids are accepted.

Eleventh. None but the lowest responsible bid shall be accepted; but council may, in its sole discretion, reject all the bids. If two or more bids are the lowest responsible bids, and are equal, either may be accepted, but in no case shall the work be divided between them.

Twelfth. The contract shall be between the city and the bidder, and the city shall pay the contract price for the work in cash.

Thirteenth. The cost of any improvement contemplated herein shall include the costs and expenses of the proceedings and the damages, if any, awarded to the owners of any property abutting or adjoining such improvement; the costs and expenses of the assessment; the expense of the preliminary and other surveys, and of the printing, publishing and advertising required herein, and any other necessary expenditure connected with such improvement and the cost of construction.

Fourteenth. One-half of the entire cost of any such improvement shall be paid by the city at large, upon order of the council, out of the fund herein provided for such improvement. The other one-half of the entire cost of such improvement shall be assessed upon the parcels or lots of land bounding or abutting upon the improvement as hereinafter provided.

Fifteenth. The city shall be considered a property-owner as to any property belonging to the corporation and abutting upon the street, avenue, or highway so improved.

Sixteenth. In order to provide a fund for carrying on such improvement and paying so much of the entire cost thereof as is herein provided to be paid by the city at large, it shall be the duty of the council to issue bonds in an amount not exceeding in the aggregate, for the total improvements to be made by the council, and paid by the city at large under the authority of this law, the sum of one hundred and fifty thousand (\$150,000) dollars, in the name of the city and under the corporate seal thereof. Said bonds shall be made payable in not less than twenty years from the date of their issue, at such times and place and of such denomination as the city council may direct, and bear interest at a rate not exceeding five per centum per annum. Said bonds shall be signed by the mayor of the city and attested by the city clerk under the corporate seal of the city, and shall be secured by the pledge of the faith of the city and a tax, which it shall be the duty of the council of said city to annually levy upon all the taxable property in said city, and certify the same to the city auditor, in an amount necessary to pay the interest thereon, and to provide a sinking fund for the final redemption of said bonds. Said tax shall be in addition to the amount now levied or authorized to be levied for municipal purposes.

Seventeenth. Council shall receive bids for said bonds, after advertising the same for sale once per week for four consecutive weeks, on the same day of the week, in some newspaper published in said city, and also in a newspaper published in each of the cities of Boston, Massachusetts; New York City, and Cincinnati, Ohio. Said bonds shall be sold for cash, for not less than the par value thereof, with accrued interest, to the highest bidder. The money arising from such sale shall be placed in a separate fund, to be called "The Pavement Fund." A careful account of said fund shall be kept by the city treasurer.

Eighteenth. The sum or amount of the one-half of

the entire cost of such improvement, and being the amount assessed upon the lots or parcels of land bounding and abutting upon the improvement, shall be divided by the total number of feet of the lots or parcels of land fronting or abutting on such improvement, and the quotient shall be the rate of assessment for each front foot of land bounding or abutting on such improvement. There shall be specially levied or assessed on each lot or parcel of land, bounding or abutting on such improvements, such amount of tax or assessment as shall equal the number of feet of such lot or parcel of land fronting on such improvement, multiplied by the rate per foot as ascertained as aforesaid.

Nineteenth. As soon as such rate is ascertained, council shall give notice of the same by daily publication, for two consecutive weeks, in a newspaper published in the city of Covington, and shall require the owners of the several lots or parcels of land bounding or abutting on such improvement to pay to the city treasurer the amount of the entire assessment due from their respective lots or parcels of land, in cash, within thirty days after the date of the last publication of such notice, or be subject to the assessments as hereinafter provided.

Twentieth. To provide a fund for the immediate payment of such portion of the one-half of the entire cost of such improvement as may not be paid in cash by the property-owners, in conformity with the notice provided in the last section, the city council is authorized to borrow money at a rate of interest not exceeding five per cent. per annum, in anticipation of the collection of the special tax or assessment for such improvement from such property-holders, and to issue the bonds of the city therefor in the manner and form herein provided, pledging the faith and credit of the city for the payment of the principal and interest thereof. Said bonds shall be divided into ten series, each series to be as nearly equal as possible; said

series to be paid respectively in one, two, three, four, five, six, seven, eight, nine, and ten years after date. Said bonds shall be of the denomination of one hundred dollars or its multiple, not exceeding one thousand dollars, and shall bear interest at the rate of not exceeding five per cent. per annum. The bonds shall have the name of the street, avenue, or highway, or portion thereof for the improvement of which they are issued, printed, engraved or written thereon; and the same shall be issued and sold in the same manner as the bonds authorized to be issued for the portion of the cost due from the city at large, as hereinbefore directed. Any odd amount remaining after the issuing of said bonds in denomination of one hundred dollars or its multiple, as herein provided, may be paid in cash out of the general fund of the city, or may, at the option of the city council, be included in a separate bond, payable in ten years from date, drawing like interest as the bonds herein provided for.

Twenty-first. The owner or owners of each lot or parcel of land bounding or abutting on such improvement, and who does not pay in cash the entire amount of assessment or tax due from his lot or parcel of land as above provided, shall pay annually, at such times as shall be specified in the assessing ordinance of the council, one-tenth of the amount of the assessment or tax due from his lot or parcel of land, together with five per cent. interest thereon, and five per cent. interest upon the remaining assessment unpaid; and such payments shall continue to be made until the entire amount of the assessments and interest shall be paid. In default of such payment at such times, the same penalty shall attach on the amount so payable as attaches to the non-payment of other municipal taxes, and shall be collected, together with amount so due from the owner or owners of such lot or parcel of land, in the same manner as other city taxes and penalties are collected for municipal purposes; and

such assessment and penalty shall be and remain a lien upon such lot or parcel of land until the same has been fully paid and satisfied. It shall be the duty of the city treasurer, immediately on default of payment in cash of the assessments upon said property, at the time specified by council, to forthwith certify all unpaid assessments to the city auditor, and cause the same to be placed upon the tax duplicate with other taxes.

Twenty-second. The annual assessments, and all portions thereof, shall be paid to the city treasurer when collected, and shall be applied to the payment of the bonds issued in anticipation of their collection and the interest thereon as the same shall become due, and to no other purpose whatsoever, and such bonds shall be canceled as the same are paid in the same manner that other municipal bonds of the city are canceled.

Twenty-third. When a special assessment for such improvement is made on real estate subject to a life estate, the assessment shall be payable by the tenant for life. But upon application by the tenant for life to a court of competent jurisdiction, by action against the owner of the estate in fee, such court may apportion the cost of the assessment between the life tenant and the owner in fee, in proportion to the relative value of the improvement to their estates respectively, to be ascertained and determined by the court on principles of equity.

Twenty-fourth. The tax or assessment for such improvement shall be a lien from the date of awarding the contract upon the respective lots or parcels of land bounding or abutting upon said improvements.

Twenty-fifth. When it appears to the council that a special assessment or tax for such improvement is invalid by reason of informality or irregularity in the proceedings, or when an assessment is adjudged to be illegal by a court of competent jurisdiction, the council may order a re-assessment and proceedings thereon,

and the collection thereof shall be conducted in the same manner as is provided for the original assessment.

Twenty-sixth. The bonds issued by the city for the portion of the expense to be borne by the city at large, as well as the bonds issued in anticipation of the collection of the assessment upon the abutting or bounding lots or parcels of land, shall be and forever remain free from any and all taxes, rates or charges for municipal purposes.

Twenty-seventh. The tax or assessment for such improvement as herein authorized shall not exceed fifty per cent. of the value of the lot or parcel of land assessed and taxed as now provided by law, and any excess above such per centum shall be paid out of the general revenue of the city. But in making such assessment regard shall be had to the value of such lot or land after the improvement is made.

Twenty-eighth. The council shall have authority to employ a special expert civil engineer to supervise the work done under this act. The words "council" and "common council," as used in this section, shall be held and construed to mean the common council provided for by this act.

§ 34. All acts and parts of acts in conflict with this act are hereby repealed.

§ 35. This act shall take effect from and after its passage.

Approved March 21, 1890.

CHAPTER 387.

AN ACT for the benefit of J. W. Baird, of Simpson county.

Be it enacted by the General Assembly of the Commonwealth of Kentucky :

WHEREAS, J. W. Baird, sheriff of Simpson county, from misconstruction of the law requiring him to execute bond for the collection of revenue and pub-

lic dues of said county annually, he having executed on the first Monday in January, one thousand eight hundred and eighty-nine, for the collection of the same for the year one thousand eight hundred and eighty-nine; and whereas, he also, from the same reason, failed to present his quietus to the county court as required at the December term, one thousand eight hundred and eighty-nine, of said county court, he having paid off all his indebtedness on account of said revenue and public dues, paid to said court in December, one thousand eight hundred and eighty-nine; and whereas, no collector has been appointed by the county court or any one else to collect said revenue and public dues; therefore,

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

§ 1. That J. W. Baird, sheriff of Simpson county, have until the first Monday in June, one thousand eight hundred and ninety, to execute bond for the collection of the revenue and public dues of said county, which bond, when executed, shall have the same effect and be as valid and binding as if it had been executed on the first Monday in January, one thousand eight hundred and ninety.

§ 2. This act to take effect and be in force from its passage.

Approved March 21, 1890.

CHAPTER 388.

AN ACT to amend an act, entitled "An act to authorize Fayette county to subscribe for stock in the Kentucky Union Railway Company, and issue bonds in payment thereof, which became a law March twenty-eighth, one thousand eight hundred and eighty-eight."

WHEREAS, Under the above entitled act the county of Fayette, outside of the city of Lexington, has subscribed for fifty thousand dollars of the capital stock of the Kentucky Union Railway Company; and

whereas, by the terms of the said act one of the conditions of the issue of bonds for the payment of said subscription was, that the said railway company should, within twenty-four months from the date of approval of the said act, complete its road so that a train of cars should run over the same, on a separate road-bed of its own, and not over the road-bed or right of way of any other road, in a continuous line from the city of Lexington to Breathitt county; and whereas, the said Kentucky Union Railway Company did, within the time prescribed by the said act, begin work upon the said line, and has been diligently prosecuting and is now diligently prosecuting the same, and by the act of Providence has been seriously obstructed therein, and by extraordinary floods suffered great injury and delay; and whereas, the county court of Fayette county has petitioned the Legislature to extend the time for the completion of the said road until the twenty-first day of June, one thousand eight hundred and ninety. Now, in consideration of the said diligent effort upon the part of the said company, and the great and unforeseen casualties by which it has suffered delay in the progress of its work, and in consideration of the petition by the said Fayette County Court to that end, and in order to secure the completion of said road by said company, which will be of great benefit to said Fayette county; now,

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

§ 1. That section four of said act is amended as follows: The bonds provided for in said act shall not be issued unless the said railroad shall be completed in the manner provided in said section of said act on or before June twenty-first, one thousand eight hundred and ninety; but if so completed on or before June twenty-first, one thousand eight hundred and ninety, the said bonds shall be issued to said company.

§ 2. This act shall take effect from its passage.

Approved March 21, 1890.

CHAPTER 393.

AN ACT to incorporate the Ohio Valley Banking and Trust Company.

Be it enacted by the General Assembly of the Commonwealth of Kentucky :

§ 1. That James R. Barret, James E. Rankin, John H. Barret, Jr., B. G. Witt, Henry P. Barret, R. C. Soaper and W. H. Witt, together with their associates and assigns, be, and they are hereby, appointed and made a corporation and body-politic, under the name and style of the "Ohio Valley Banking and Trust Company," with perpetual succession ; and by that name may sue and be sued, make contracts with or without seal, but may have and use a common seal and alter the same at pleasure ; it may hold and convey real estate, goods, chattels and public and private securities of any kind ; but real estate taken for debt must be disposed of within five years ; it may also ordain, establish, put in execution and amend such by-laws as may be necessary or convenient for the government of said corporation, not in conflict with the laws of this State or of the United States.

Such election shall be by plurality of the votes of the stockholders and their proxies, allowing one vote for each share of stock represented. This rule of voting shall apply to all questions submitted to the stockholders ; and the stockholders may change the time for holding elections for directors. No one shall be eligible as director in this company who is not the owner of at least ten shares of the stock of the company. Special meetings of the stockholders may be called by the directors, or by any member of stockholders representing one-third of the stock. They shall also choose one of their number as president, and may elect a vice-president, cashier, and such clerks, officers, agents or servants as they may think necessary to a proper conduct of the affairs of the company ; they may also fix their salaries, prescribe their duties, and at their option receive bonds, with security, for the faithful performance of their duties. A majority of the board of directors shall form a quorum for the transaction of business ; vacancies in the board of directors shall be filled by a vote of those remaining in office.

§ 5. The by-laws of the company shall regulate the

form of the certificates of stock and the manner of their transfer, and a lien is hereby created in favor of the company on the stock of each share-holder for any claim that the company may have for any part of his stock remaining unpaid.

§ 6. A statement of the condition of the company shall be made on the first business day in January of each year for the inspection of the stockholders, and the board of directors may, at such times as they may deem proper, declare a dividend out of the profits, if any have been made.

§ 7. It shall be lawful for this company to do business as a savings bank, and as such, may receive on deposit any sum; and minors and married women may, in their own name, deposit therein and check therefrom, unless restrained by competent tribunal; interest, as agreed upon, may be allowed on such deposits.

§ 8. The company shall have the right to receive Deposits. money and currency on deposit upon such terms as may be agreed upon; to loan money upon such security as it may deem proper; to discount, buy and sell gold and silver, stocks, bonds, notes, bills of exchange and other evidences of debt; to make advance on approved securities, and upon agricultural and other products of the country; to receive bonds, stock, warehouse receipts and written evidence of the ownership of produce and merchandise in pledge for the payment of money advanced or debts owing to it, and to do a general banking business; and all promissory notes made negotiable and payable at its banking-house, or at any bank, which may be discounted by it, and inland bills which may be discounted by or sold to it, shall be, and they are hereby, put upon the same footing of foreign bills of exchange, and like remedy may be had thereon, jointly or severally, against the principals, securities, guarantors, drawers, acceptors and indorsers, and any one or more of them.

§ 9. In any case where this corporation may hold collateral security for any kind of debt owing to it, it may sell the same on the non-payment of the debt or demand according to the terms agreed upon between the parties by written contract at the time the debt was created, or afterwards under the provisions of an act of the General Assembly of the Commonwealth of Kentucky, entitled "An act for the benefit of the incorporated banks of Kentucky," approved March sixteenth, one thousand eight hundred and seventy-one.

§ 10. Private property of the stockholders of this company shall be exempt from liability for corporate debts.

Operate as trust
company.

§ 11. Whenever this company shall undertake to exercise any of the functions of a trust company as provided for in this charter, and before it shall receive or take charge of any business as set forth in the succeeding sections, twenty per cent. of its capital stock paid in shall be invested in such securities at such rates of interest as they promise to pay as are authorized by law for trustees, and from time to time shall be reinvested in same, and shall be kept separate and apart from other investments, and designated on the books of the company as "investments of trust capital;" and it shall be the duty of the proper officers of the company annually, or oftener, if so required, to make a detailed statement to such court or courts as may have committed any trust or trusts to said company of all such investments, together with a statement as near as practicable of the value of the estate and property committed to said company, which statement shall be verified by the oath of the officer making the statement; and said trust capital shall be specially and primarily liable for the obligations of said company as executor, administrator, guardian, receiver, assignee or trustee in any other capacity, and shall not be liable for any other debt or obligation of the company until all of

its obligations in regard to its trusts as aforesaid shall have been fully met and discharged.

§ 12. The capital stock of said company shall be taken and considered as the only security required by law for the faithful performance of its duties, and other security shall not be required upon its appointment to any of the offices or duties mentioned herein, except when required by the courts or parties in interest; but any court having jurisdiction to make or approve such appointment shall have power, before making or approving same, and from time to time afterward, to examine the officers of the company, under oath or affirmation, as to the security aforesaid, and appoint a suitable person to investigate the affairs and management of said company, who shall report to such court the manner in which its investments are made, and the security offered to those by or for whom its engagements are held; the expense of such investigation to be paid by the company, subject to the limitations named in this section. The capital stock of said company shall also be taken and accepted as the only security required by law on any bond or bonds required or necessary to be executed by said company as guardian, committee of person or persons of unsound mind, in proceedings to sell the real property of persons under disability, or upon any other bond or bonds required or necessary to be executed by said company as guardian, trustee, committee or otherwise, or upon any bond of indemnity or other bond or bonds that may be required of said company in the course of any judicial proceeding, or in the prosecution of any remedy allowed by law to it in any of its fiducial capacities; except in obtaining attachments and injunctions by suit, the courts shall require additional security other than their capital stock and franchises.

§ 13. The said corporation may be appointed and Act as guardian. act as guardian of infants, as executor or administrator, or committee of lunatics, as receiver, assignee or

other trustee, whether appointed by deed, by last will and testament, by any court in this Commonwealth, or in any other manner not inconsistent with law; it may receive and hold in trust estate and personal, including the notes, bonds, obligations and accounts of estates of individuals, of companies and corporations, private or public, and may, in its fiduciary capacity, purchase, collect, adjust and settle, sell and dispose of the same in this State or elsewhere. It may act as agent or attorney in the leasing, conveying and managing real and personal estate, receiving and collecting rents and other moneys, or in the issuing and countersigning certificates of stock, bonds or other obligations of any corporation, association or municipality, State or public authority, and may receive and manage any sinking fund therefor, and may accept and execute all such trusts of every description, not inconsistent with the law of this State, as may be committed to it by any person or persons, or by any corporation, or by any court of record of this or any other State. It shall have a trust department, and all of its business of a fiduciary character shall be kept in a separate and special set of books.

§ 14. Said corporation may place in its own building, or any leased or rented building which it may occupy, a safety deposit vault, with compartments or boxes for rent upon such terms as may be agreed upon between the said corporation and such persons as may jointly or severally rent one or more of said boxes or compartments.

§ 15. Said corporation is also empowered to receive for safe-keeping any valuables that may be intrusted to it, and for a consideration, to be agreed upon by the parties, to guarantee the safe preservation and delivery of such special deposit.

§ 16. In the exercise by the said company of the powers herein authorized as guardian, executor, administrator, committee of lunatics, or of any office or duty imposed by any court, said company shall be

subject to the same duties and responsibilities, shall have the same powers, and shall receive the same compensation as fixed by law with relation to individuals holding similar offices or trust, except as herein otherwise provided. The exercise of the other powers and the performance of other duties by said company may be, as to compensation and otherwise, matters of contract with the parties interested.

§ 17. This act shall take effect from its passage, and shall continue in force for thirty years.

Approved March 22, 1890.

CHAPTER 395.

AN ACT to protect game in Mason county, Kentucky.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Said court shall have power to grant attachments and injunctions to the same extent that the county judge has. It shall be the duty of the police judge to keep a record of his proceedings, certified copies of which shall be evidence to the same extent that certified copies of other courts are. He shall have power to issue subpoenas for witnesses or other process to compel their attendance before him, and to punish all contempts against his authority by fines not exceeding ten dollars in each case. § 27. It shall be the duty of the board of trustees to appoint some suitable person treasurer, who is a qualified voter of said town. He shall hold his office for one year, or until his successor is appointed and qualified. It shall be the duty of said marshal to collect the same, and he is hereby vested with full power to do so by levy and distraint ; and to the same extent that sheriffs have and are vested with to collect State revenue, and pay it over to the treasurer on or before the first day of each month whatever has been collected by him ; and for failing to do so said treasurer may, in the name of the trustees of said town, institute a motion or action against said marshal and his sureties in any court having jurisdiction of the amount claimed, and may recover the amount due and ten per cent. damages thereon, and cost of suit, and may collect the same by execution without the right of replevy: *Provided*, That no judgment shall be rendered against said marshal or his sureties without written notice or summons served at least ten days before the trial: *And provided further*, That if said marshal shall, between the first day of No-

He shall be a judicial officer, and be styled the Police Judge of Jackson.

§ 34. The bond of the town marshal may be put in suit for a failure to perform the conditions thereof by any person injured in the same manner as suits are now authorized to be brought on constables' bonds; and said marshal shall also be subject to motion or action against him and his sureties before the police

judge for a failure to pay over money to the person or persons entitled to receive the same, under the rules and regulations and restrictions as motions are authorized to be made against defaulting constables. He shall collect all taxes due said town and other demands in any part of the county of Breathitt, that may be put into his hands for collection, and account for and pay over the same to those entitled thereto, under the same rules required by law of sheriffs in the collection of taxes, and of constables or sheriffs in the collection of executions and other demands. Said marshal shall be entitled to such fees for collecting the town tax as the trustees may allow by their by-laws: *Provided*, That the police judge shall have power and authority, at the instance of the party applying therefor, to direct his processes to be executed by any officer who is authorized by law to execute such processes; and said marshal shall have power to perform any official duties in said county that sheriffs or constables may perform: *Provided further*, That said town marshal shall execute a bond within thirty days after his election for the faithful discharge of the duties of his office, with good and sufficient surety, to be approved by the trustees of said town. § 35. Said marshal shall have power to summon as many citizens or persons as he may think necessary in making arrests, and any person refusing to obey such summons shall be fined not exceeding twenty dollars.

§ 36. The trustees shall have power to pass by-laws for the working of persons fined in the police court on the streets, and they may have the use of the county jail for keeping such persons.

§ 41. If at any time the office of police judge should become vacant, the Governor shall, upon the recommendation of the trustees of said town, appoint some person to act as police judge till the next regular election for town officers, and until his successor is duly elected and qualified.

He shall report all who fail or refuse to give a list of their taxable property, or who fail to give any other list required of them to the board of trustees, which may proceed against such delinquent and recover of him such penalties as are denounced by statute against such as fail to give lists to county assessors, except that the proceedings against all such delinquents shall be in the police court of Barbourville hereinafter provided for. The same rules as to costs shall prevail.

§ 5. In addition to the powers herein granted to the marshal of said town, he is given the same powers as the sheriff, under the general laws of the State, to make levies and attachments and garnishment for taxes, and his mode of procedure shall be the same as sheriffs; and in cases of the sales of land or town lots for taxes he shall make similar returns as sheriffs do in making sales of lands for taxes to the clerk of the Knox County Court, who shall proceed in the same way as in cases of sales of land for taxes by the sheriff.

§ 6. In all cases of the sale of town lots for taxes, the owner shall have two years to redeem same by paying the purchaser the amount paid by him and thirty per centum thereon; after that time the marshal will execute deed to the purchaser of said lot or lots, if same are not redeemed. The same laws of the State applicable to the sales of lands for taxes by the sheriff are made applicable to this act, and those acting under same and affected hereby.

§ 7. The board of trustees shall appoint annually three commissioners of tax, who shall be freeholders in said town, voters and discreet men, who shall be duly sworn by the chairman of the board before entering upon their duties. They shall have full power to alter, change and revise all assessments made by the assessor of said town, on good and sufficient cause

Said commissioners, before increasing any tax payer's assessment, shall first notify said taxpayer of their intention to investigate or change the assessment made. Said commissioners are further authorized, and it shall be their duty, to assess any tax-payer of the town under this act who has failed or refused to give his list to the assessor. Said commissioners shall be paid two dollars per day each for their services out of the funds of the town.

ARTICLE V.

§ 1. The judiciary power of said town shall be, and is hereby, vested in a court to be styled the "Barbourville Police Court," which shall be held by a judge to be styled "Judge of the Barbourville Police Court," who shall be elected by the qualified voters of said town at the first election under the provisions of this act, and shall hold his office for and during the term of two years, and until his successor is elected and qualified. No one who is not eligible as a member of the board of trustees shall be elected to hold the office of police judge.

§ 2. Said court shall be a court of record, and is hereby invested with all the powers that other courts of record in this Commonwealth have, which may be necessary to carry its processes, precepts, orders and judgments into effect, except that in cases of contempt, no greater punishment than a fine of five dollars and ten hours' imprisonment shall be imposed. Said court shall have all the civil and penal jurisdiction and powers of a court of justice of the peace, and shall be always open.

for trial of prosecutions. The judge thereof shall be a conservator of the peace, and shall be clerk of his own court.

§ 3. The regular terms of said court shall begin on the second Monday in each month, and continue not longer than five days, except the months in which the Knox Circuit and Common Pleas Court is held, in which months no terms of the police court shall be held. Said court shall be held at the same place provided for holding of the circuit courts of the county, unless some other place is provided by the trustees.

§ 4. In all civil cases in which the amount in controversy is (\$50) fifty dollars or more, the proceedings in said court shall be in every respect the same as in the common pleas court, and in cases in which the amount is less than fifty dollars the proceedings shall be by warrant similar in all respects to warrants issued by judges of quarterly courts.

§ 5. Said court shall have exclusive jurisdiction over all violations of the penal ordinances of said town.

§ 6. All prosecutions in said court shall be returned for trial at the next regular term thereof, beginning not less than three days after the service of the warrant except as otherwise provided in this act. The judge of said court shall, at the time of issuing any process for the arrest of any one accused of a penal offense within the jurisdiction of the court, by indorsement on the process, fix a sum in which bail may be given; and the officer executing such process is hereby vested with the same power to take bail bonds in such cases as sheriffs have in cases of bench warrants from the circuit court. All bonds so taken shall be as valid and binding, and in cases of forfeiture shall take the same course in the said police court, that similar bonds take in the circuit court; but if the accused, when arrested, be unable to give bail, or refuse to do so, the officer making the arrest shall immediately, or as soon as practicable, take such accused

before the judge of said court, who shall proceed immediately to the trial of the charge, giving reasonable time to the accused and the Commonwealth to procure the attendance of witnesses ; and all trials so had, and judgments rendered thereon, shall be as valid for all purposes as if had at a regular term of said court.

§ 7. When from any cause the judge of said court is absent at any term of said court, or the office of said court is vacant and has not been filled by the board of trustees as provided in this act, or if he be present and can not properly preside or try any case pending in said court, or if any party to a cause, civil or penal, shall file his affidavit, stating that he does not believe the judge of the said court will afford him a fair and impartial trial, in all such cases a special judge, having the qualifications of a regular judge, shall be elected in the same manner that special judges in the circuit court are elected. The clerk of the board of trustees, or in case he is absent, the chairman, shall hold all elections for special judge as provided for in this section, and shall give the deciding vote in cases of a tie. In case there is no election, or the person or persons elected fail or refuse to act, this fact shall immediately be certified to the chairman of the board of trustees, who shall at once call a meeting of the board of trustees, which shall at once elect a special judge for the term or for the trial of such cases as the regular judge can not try, as the case may be. The special judge elected shall have all the powers of a regular judge during the time he acts as such.

Appeals from.

§ 8. Appeals may be taken from judgments by said court to any court to which they may be appealed, under the same restrictions and limitations as provided in the general law for appeals from magistrates or quarterly courts.

§ 9. When an execution, issued upon a judgment in a civil or penal cause, tried in said court, is returned by a proper officer, in whole or part, in substance no property found to satisfy same, the

judge of said court, on the application of plaintiff or his attorney in a civil action, and on application the chairman of the board of trustees or the attorney for the town in a penal cause, shall furnish a copy of the judgment, execution and return, which, on being filed in the office of the clerk of the Knox Common Pleas Court, shall be by him recorded in a book kept for recording such records from justices and quarterly courts, and thereupon the plaintiff shall have the same remedies for the amount of the judgment and costs, including the costs of recording said copy and costs certified therein, as if the judgment had been rendered in said common pleas court.

§ 10. All fines imposed in the police court for violation of ordinances of the town, and for contempt of court, shall be paid into the town treasury ; those for other violations shall be paid to trustee of the jury fund.

§ 11. Said police judge shall have no civil jurisdiction in civil cases involving the title to land, nor for the enforcement of any lien thereon.

§ 12. Said police court shall be furnished with all necessary record-books, such as are used and required by judges of quarterly courts, which books shall be paid for out of treasury of the town on the order of the board of trustees.

§ 13. In all actions for the recovery of money or property begun in said court, in which the amount in controversy is fifty dollars or more, exclusive of interest and costs, the police judge, before filing said action, shall collect a tax of fifty cents from plaintiff, which shall be paid by him to the treasurer of the town for the use and benefit of said town.

§ 14. The police judge shall be commissioned as such in the same manner as justices of the peace are commissioned, and shall execute bond as such as provided by general law. He shall enter upon the duties of his office as soon as he receives his commission and qualified as such.

§ 15. Said police judge shall have the same power to take and certify depositions, and to administer oaths generally, that county judges in this State have.

§ 16. He shall receive the same fees as other officers do in similar cases, and in all penal cases, in addition to the fees now allowed by law, he shall receive and collect from the party convicted a fee of one dollar for sitting in the case. He shall have the same remedies for, and proceed in the same way to, the collection of his fees as are allowed by law to other officers of this State in similar cases. The proceedings to impose said penalty shall be in the Bowling Green City Court, which may proceed, after notice has been duly served, upon the information of the assessor, collector, or any person having knowledge of the facts. The offender shall be entitled to a trial by jury.

Proceedings for Sale of Real Estate for Taxes.

§ 18. On the first day of January in each year, after the assessment of city taxes, the tax collector shall make out tax-bills against all persons or corporations owing taxes on real estate, with a description and location of the property assessed, and upon which taxes are due, and the amounts thereof, which bills shall be certified by the city clerk as being true and correct lists; and he shall furnish said lists or bills to the city attorney, whose duty it shall be to bring without delay suits for the recovery thereof in the Warren Circuit Court.

§ 19. Said lists or bills, when certified by the city clerk, shall be *prima facie* evidence that the property was properly listed by the city assessor, that the ordinance levying the taxes was duly adopted, and that all the steps necessary to secure a lien on the property have been duly and properly taken, and that the person owing the taxes has no personal property in the city out of which said taxes could be made.

§ 20. In these suits the city shall, unless there be cause to the contrary, ask for and obtain a personal judgment against the person assessed, as well as the enforcement of the lien for taxes hereinbefore given. The action herein authorized shall, in all respects, be conducted like suits upon liens arising upon con-

tracts ; and said court shall have jurisdiction of all amounts of twenty dollars and over, exclusive of interest. The sums due for taxes for earlier and later years shall be included in the petition and judgment. All taxes shall bear interest at the rate of eight per cent. per annum from the first of September of each year. When all the taxes due by the same owner, or set of joint owners, exclusive of interest, amount to less than twenty dollars, the city attorney shall combine them with other bills or sets of bills, also less than twenty dollars, having due regard to the nearness of location, in one action, so that the aggregate of the bills embraced in one suit may amount to fifty dollars or over.

§ 21. Whenever taxes due for a year preceding the assessment of one thousand eight hundred and ninety are included in an action brought pursuant to the next preceding section, are set up by pleading in any action, the material facts making them a lien on the property to be subjected shall be stated in the petition or other pleading, and the court shall render judgment according to the justice of the case ; and this rule shall also prevail in all actions which may be brought exclusively for the taxes of such former years ; and such actions are hereby authorized upon all past due taxes on real estate. Where a sale of the assessed property has been made, and a so called purchase thereof by the city, under sections eleven, twelve, thirteen, fourteen, fifteen, sixteen and seventeen of article five of the act to which this act is an amendment, and at the time of the institution of the actions herein authorized, the time for redemption from such sales has not expired, no judgment shall be rendered for the enforcement of the tax liens for which such property has been sold as aforesaid, until the right to redeem therefrom has expired.

§ 22. The foregoing sections, from and including number eighteen to and including number twenty-one, shall be deemed and construed as a repeal of

sections eleven to seventeen, both inclusive, of the act of January second, one thousand eight hundred and eighty-two, to which this act is an amendment.

Street Assessments.

§ 23. The board of councilmen shall have power by ordinance to provide for the laying or relaying of curbing and sidewalks of a regulation width and description, and the widening, grading, paving or repairing of the sidewalks of said city at the cost of the lot-owners bordering thereon ; and said ordinance shall prescribe the kind and description and extent of the work to be done.

§ 24. Upon the passage of an ordinance requiring any such work to be done, it shall be the duty of the mayor to let said work out by contract to the lowest bidder ; but before doing so he shall advertise, by publication in one or more of the newspapers published in said city, the time and place when and where said letting shall be made, a description of the work to be done, and when to be completed. Said publication shall be made at least ten days before said work is let out. The work to be done in front of or bordering upon each piece of property owned by different persons, shall be separately let out, and the owners of the property or any other person or corporation. may make sealed bids.

§ 25. It shall be the duty of the mayor to take from the lowest bidder or bidders bonds, with good security, for the faithful performance of the work according to the specifications and in the time prescribed in the ordinance. Said bonds shall be taken to the city, and for any delay in executing the work the measure of damages shall be five per cent. of the amount bid for each day's delay from the time when said work was to have been completed ; and the city, or any person sustaining any damages, may likewise recover damages on said bond for any improper execution of the contract. Said bonds and contracts shall be by

the mayor submitted to the board of councilmen for acceptance or rejection. If the board of councilmen shall approve and accept said contracts and bonds, the work shall be done under the supervision of the mayor and street inspector ; and it shall be the duty of the street inspector to make out and report to the board of councilmen complete and accurate estimates and apportionments of the cost of said work and improvements against the owners of property liable to pay the same, designating each one's respective liability.

§ 26. Whenever the board of councilmen shall have approved and accepted said contracts and bonds, a lien shall attach against the property fronting or bordering thereon, which lien shall be of equal grade and dignity with the liens hereinbefore given for taxes due the city, and shall be superior to any lien for unpaid purchase money, or any mortgage that may be on said property, and shall not be defeated by sale, gift, devise, alienation, or any means whatever: *Provided*, That no proceeding to enforce same shall be instituted until the completion of the work and its acceptance by the board of councilmen. Said claims shall bear interest at the rate of six per cent. per annum from the time the work is accepted by the board of councilmen, and shall be assignable so as to vest the title in the assignee.

Proceedings to Enforce Payment for Street Assessments.

§ 27. The liens given for the purpose named in the last preceding four sections may be enforced by filing a petition in the Warren Circuit Court, in the name of the city, for the use and benefit of the contractor, or his assignee, against any and all persons liable for the cost of said work, as shown by the report of apportionments of the street inspector. In all actions to enforce liens as authorized by this act, a copy of the ordinance authorizing the improvement or work, a copy of the contract therefor, and a copy of the ap-

portionment, and a copy of the order accepting the contract by the board of councilmen, and a copy of the order of the board accepting the work, each attested by the city clerk, shall be proof conclusive of the passage and publication of the ordinance, and of the due execution and approval of the contract, and shall be *prima facie* evidence of every other fact necessary to be established by the plaintiff in such actions to authorize a judgment for the relief authorized to be given in this act.

§ 28. It shall be lawful for said court to adjudge a sale of so much of the lot or lots of each person as will pay his or her part of the cost of said improvement, together with interest thereon, and the costs of the suit; and the court confirming the sale made under such judgment shall direct that the property may be redeemed at any time within one year from the day of sale, by the owner or owners of the lot or lots paying the amount for which the same may have been sold, and interest thereon at the rate of ten per cent. per annum, together with all taxes and levies made upon such property, which the purchaser may have paid or become liable for, subsequent to the sale thereof, and if not redeemed within the time specified, the sale shall be final, and the court shall cause a conveyance thereof to be made to the purchaser by a commissioner.

§ 29. The plaintiff may have a personal judgment against the defendant liable for the cost of the work, and have execution thereon; but if the execution issue, then no sale of the lot or lots shall be made by the commissioner until the execution shall be returned, and then for the satisfaction of such sums as shall appear to be unsatisfied by the return on the execution.

§ 30. It shall be the duty of the city attorney to institute the suits provided for and authorized herein, and where all the claims due by one owner, or set of joint owners, exclusive of interest, amount to less

than twenty dollars, the city attorney shall combine them with other claims or sets of claims, also less than twenty dollars, having due regard to the nearness of location of the property, so that the aggregate of the claims in one suit may amount to fifty dollars or more. The Warren Circuit Court shall have jurisdiction of all cases for the enforcement of liens for taxes and street assessments, and for the sale of real estate for taxes and for street assessments, as provided in this act, and such cases shall be tried and determined, and the same rules shall be applicable in the trial of such cases as in the proceedings for the sale of lands by holders of liens for unpaid purchase money, except as otherwise provided herein.

§ 31. The mayor shall have power and authority to notify owners of lots bordering on streets to make repairs on sidewalks bordering on their lots, in any case where the cost of such repairs of sidewalks shall not exceed fifteen dollars in front of or bordering upon any one owner's lot; and in case such owner shall not, within five days after he or she has received notice of such sidewalks being out of repair, cause said sidewalks to be repaired, the mayor is authorized to have same done at the cost of the owner, which repairs, if not paid by the owner, shall be paid for by the city, and shall be a lien on the lot for the payment thereof, and the city shall have the same remedies for the collection thereof, with costs of suit, that are given in the preceding sections for the cost of laying and improving sidewalks.

§ 32. Sections seven and eight of article seven of the act to which this is an amendment are hereby repealed.

City Marshal.

§ 33. So much of the charter of the city of Bowling Green as provides for the election and qualification of a city marshal is hereby repealed, and the duties of said office shall be performed by the chief

of police of said city: *Provided*, That this shall not affect the present city marshal during his present term of office.

Actions Against the City.

§ 34. No action shall be brought against the city upon any claim, either on a contract or for a tort, until the claim shall have been presented to the board of councilmen and been rejected by it: *Provided*, That if said board shall not settle or reject the claim within fifteen days from the time it is presented, an action may then be instituted thereon.

§ 35. No action shall be brought after six months shall have elapsed from the time the cause of action accrued.

Courts to Take Judicial Notice.

§ 36. All courts in the county of Warren shall take judicial notice of the passage, approval, contents and publication of each ordinance adopted by the board of councilmen of said city.

§ 37. No part of the act, approved January second, one thousand eight hundred and eighty-two, to which this is an amendment, or of any act amending the charter of the city of Bowling Green, passed since said date, shall be repealed by this act, except as expressly stated herein or is inconsistent herewith.

money on notes.

§ 7. Should it be necessary for the city for municipal purposes, other than the payment of its present indebtedness, to borrow money, the mayor and council, two-thirds of the councilmen elected concurring, may do so, on the note or notes of the city, signed by the mayor, and countersigned by the treasurer. Said note or notes shall bear a rate of interest not exceeding eight per cent. ; shall not run for more than one year, or exceed, in aggregate amount, seven thousand dollars. They shall be paid out of the revenues of the fiscal year current when they are given, which revenues, by entry on the record of the meeting at which it was voted to borrow the money, may be pledged to their payment, so far as they are not otherwise specifically appropriated. No more money shall be borrowed in this way while any such note or notes remain in whole or in part unpaid. Should it be necessary for the city to borrow for such purposes a greater sum than the said amount, or to borrow in a different way, upon other terms and conditions, it may do so, two-thirds of the council and two-thirds of the qualified voters of the city concurring ; but to authorize them to so borrow, they shall issue an ordinance stating the sum proposed to be borrowed, the time for which it is to be bor-

rowed, and the object or objects for which the money so borrowed is to be expended; and the money so borrowed shall be applied to the purpose for which it is borrowed. The mayor and council shall also, before they issue an ordinance to take the vote of the city to authorize them thus to borrow money, make provision for the payment of the interest on the sum to be borrowed as it shall accrue, and to pay the debt when it shall become due; which provision, so made, shall be distinctly stated in the ordinance aforesaid, and the ordinance made shall be published in each issue of one or more newspapers published in the city of Paris for at least three weeks next before the day on which the vote is taken. These, and all other bonds of the city for the payment of money, shall be signed by the mayor, countersigned by the treasurer, and bear the seal of the city. No bond of the city shall be sold for less than par, nor bear a higher rate of interest than seven per cent. per annum, payable semi-annually. These, and all other bonds of the city, when properly executed, issued, and delivered for value, do pledge the faith, property, and revenues of the city for their redemption. No city bonds shall have a longer time to run than twenty years, unless otherwise distinctly provided in the act authorizing them.

§ 8. In addition to the power to open and establish new streets and alleys, as granted by section three of chapter three, the mayor and council shall also have power to extend or widen, or both so extend and widen, any of the existing streets or alleys of the city, and if in exercising any of these powers they can not agree upon terms with the parties interested, they shall have power to acquire the land or property needed by proceeding in the nature of *ad quod damnum*, as prescribed by the General Statutes in relation to railroads and turnpikes. The mayor and council shall have entire and exclusive control of the streets,

Sidewalks.

§ 9. The council shall have power to cause all sidewalks in the city to be curbed and paved with stone or brick. It may prescribe their width and the manner of their construction, and apportion the cost and expense thereof among the owners of lots fronting or abutting thereon, and a lien is given on the lots for the same ; and such cost and expense may be listed and collected by the city collector as other taxes ; and the collector shall have authority to sell and convey the lots and parts of lots for the same, under the by-laws and ordinances of the council: *Provided*, That the owners of any lots or parts of lots thus sold for paving shall have five years after the date of the deed of conveyance to redeem the same on repayment of the purchase money and ten per cent. per annum on it, and all taxes and levies that may have subsequently accrued on the property sold and conveyed, and been paid by the purchaser or his assignee : *And provided*, That infants shall have one year after arriving at full age to redeem on like terms. If the owners of lots or parts of lots fronting or abutting on any street or alley now in the city, or to be hereafter established, shall have curbed and paved the sidewalk with stone or brick as ordered by the council, and the same shall have been accepted by the council, they, the owners of said lots and parts of lots, shall not be required to change the grade.

May cause sidewalks to be repaired.

§ 10. The common council may, in like manner, cause sidewalks to be repaved and repaired, at the cost and expense of owners holding lots fronting or abutting thereon, with the same power to compel the

payment of the cost and expense thereof, with the same lien on the lots, with the same power to cause said lots to be sold and conveyed to the purchasers thereof, and with like privilege of redemption to the owners of the same as is given in the last preceding section.

§ 11. The mayor and council shall have power to erect all municipal buildings, including common school buildings, which they may deem necessary; and, when the public good shall require it, to erect a city prison, and regulate the management and police thereof; and the marshal, or whomsoever the council may appoint, shall be the keeper thereof, and have the same authority and be subject to the same liability as such that jailers have and are subject to as the keepers of county jails: *Provided*, That until such prison shall be ready for the reception of prisoners, the said city shall be allowed to use the jail of Bourbon county for the confinement of such persons as may be convicted before the mayor, and who shall be liable to imprisonment under the laws of this State or ordinances of said city; and all persons so imprisoned shall be under the charge of the jailer of said county of Bourbon, who shall receive and discharge said persons in such manner as shall be prescribed by the ordinances of said city, or otherwise in due course of law.

§ 12. The mayor and council shall have power by ordinance to fix the time and manner in which taxes shall be paid at the collector's office, and to affix and enforce penalties for failure to pay the same at said office by a specified date, which penalties shall not be remitted in any case except by a two-thirds vote of the council.

§ 13. All moneys of the city raised, collected or received by the means of taxes, licenses, penalties or otherwise, shall be paid into the treasury, and shall not be drawn therefrom except by the authority of the mayor and council, upon an order signed by the

mayor and countersigned by the clerk. The mayor and council shall cause all demands in favor of and against the city to be adjusted as speedily as possible, and shall require all officers and agents intrusted with the keeping or expenditure of moneys of the city to account for and dispose of the same at such short intervals, and in such manner as they may direct ; and they shall cause to be published in one or more newspapers of the city, at the close of each fiscal year, a full and complete account of the city's financial condition, showing its indebtedness of every nature, together with its resources. There shall accompany this a detailed statement of its receipts and expenditures for that year, and a list of the delinquent tax-payers, with the amount due from each. It shall be the duty of the collector, treasurer and clerk to prepare for publication such complete account, detailed statement and delinquent list within ten days after the close of the fiscal year, which shall begin on the first day of July and end on the third day of June of the succeeding year. For failure to do so without good reason therefor, they, or whichever of them is in fault, shall be fined by the mayor not less than twenty nor more than one hundred dollars, on the written complaint of any two tax-paying voters of the city.

§ 14. The common council shall have full power to cause each officer appointed by them, before he enters upon the duties of his office, to execute bond, with such surety or sureties as they may approve, conditioned that he will faithfully discharge the duties of his office, and fully pay over to the treasurer, when required by the order of the council, all moneys which he may have received by virtue of his office, which bond shall be filed away by the clerk. Every bond required by this act of any city officer, unless it is otherwise provided, shall be executed to the city of Paris, and upon any such bond suit may be brought and judgment recovered in any of the courts of the Commonwealth having jurisdiction of the parties,

subject-matter and amount involved. All suits commenced, and proceedings hereafter prosecuted, for and on behalf of said city, shall be in the name of the city of Paris.

§ 15. Any officer of the city convicted of a criminal offense against the State, necessarily involving malice or dishonesty, shall forfeit his office.

§ 17. The mayor and council shall have power, by ordinance, the erection, or to regulate the height and size of wooden buildings in any part of the city where great danger may otherwise ensue to valuable and permanent improvements, and to enforce the observance of said ordinance by fines and penalties.

§ 18. Neither the mayor nor any councilman shall Right to vote where interested. have the right to vote upon any measure involving an expenditure of money for the improvement of his own property. Should either the mayor or any councilman procure the passage of any such measure, he shall thereby vacate his office and the measure be null and void.

Execute bond.

§ 2. The supervisor shall, at the next regular term of the Breckinridge County Court after his election, execute bond to the Commonwealth for the benefit of Breckinridge county, with sureties to be approved by the court, in double the amount of the road funds, and shall take an oath for the faithful discharge of his duties; the taking of said oath and the execution of said bond shall be noted on the order-book of the court; the bond shall be recorded in the order-book, and the original carefully preserved on file in the office of the clerk of said county. The said county court, or any person aggrieved, may, from time to time, institute suit against the supervisor and his sureties on his bond (or against his or their personal representatives) in any court of competent jurisdiction for any loss or damage sustained by the acts or omissions of the supervisor. The said bond shall not be void or discharged on the first, or any other recovery, nor till all persons aggrieved shall be satisfied.

Lowest bidder.

§ 3. It shall be the duty of the supervisor, at the court-house in Hardinsburg, on the first Monday in

April of each year, after twenty days' printed notice, posted at each voting place in the county, and published in the county papers for the same length of time, to let out to the lowest and best bidder, who shall give bond, with surety approved by the supervisor, for the working and keeping in repair all of the roads in said county, for the term of not less than one year, nor more than two years thereafter, the said work to be done as prescribed in the bond of contractors, to let out at such times as needed; and, on reasonable (printed) notice, the building and repairing of all culverts as are not embraced in the contracts for working roads, to superintend the opening, widening and changing of roads; superintend the erection of gates on public roads; to receive new road and alteration in roads, and to report the same to the county court when, and in the manner directed by the county court, and to see that all roads are kept clear of obstruction, and at all times in good order for travel and transportation: *Provided*, That for the purposes enumerated, the fund raised by this act, and which may be otherwise raised by the levy court, shall be sufficient, and if not sufficient, then it is to be used at such places, and for such purposes, as the supervisor, under the general direction of said court, may deem proper; and the court, in giving such directions, shall have due regard to the public good, and to the wants of the different parts of the county; the said court shall prescribe a period in each year within which the levying and grading of roads shall be done, but said period shall not extend beyond the first of September in any year. It shall be the duty of the supervisor to report, in writing, to the judge of the Breckinridge County Court, all failures of contractors to comply with their contracts in regard to roads or culverts, and to appear and prosecute on all proceedings against such delinquents so reported to him. The supervisor, with the consent of the county judge, may designate certain roads, or parts of roads, that are not to be let out

Duties of supervisor.

as hereinbefore required, but which are to be worked and kept in repair, either by special contracts privately made, or by hands or teams hired by him, or by delinquent tax-payers, or by persons sentenced to labor, or who, by law, may be liable to work out fines imposed by juries or courts; but it shall be the duty of the supervisor to return to the county court, at its September term in each year, a descriptive list of such roads, which shall be recorded in its order-book; and also to report, in writing, all hands and teams hired, and amounts paid for same, and the length of time and where employed; and also a similar report of the names of delinquents who work the places, where, and length of time, and names of persons working out fines or sentences on roads. And it shall be the further duty of the supervisor to supervise said work, and to employ competent persons to oversee; and he may, if necessary, put balls and chains on convicts to prevent their escape. contractors' bond he shall be liable to a fine of from twenty dollars to one hundred dollars, and to action for all damages by all parties aggrieved thereby. Upon the filing of the report of the supervisor that any contractor has failed to comply with his contract, or upon information or oath of any person, or on his own knowledge, that any road or culverts embraced in said contract is out of repair, the judge of the quarterly court of Breckinridge county shall forthwith issue from, and make returnable to, his court, a warrant, in the name of the Commonwealth, and against the delinquent contractor, and, when executed, proceed forthwith to try the same as other Commonwealth warrants are tried. The sureties of all delinquent road contractors shall be liable for all fines imposed and judgments for damages rendered against their principal under this act. All parties proceeded against, as hereinbefore provided, shall be entitled to trial by a jury.

§ 5. On the trial of such warrant, the supervisor shall be entitled to a jury if demanded.

Vacancies.

§ 7. The county judge and justices, sitting as a levy court, shall, at any regular or called term, fill vacancies in the office of supervisor, and it shall be the duty of said judge, on the occurrence of a vacancy, to immediately call the court together for that purpose.

Roads in Breckinridge county shall be established under the provisions of the General Statutes in regard to opening roads not less than thirty nor more than one hundred feet wide; and the county court may widen roads already established, as hereinafter directed, not, however, to exceed one hundred feet in width. Upon written information, under oath, of the supervisor, or of any two citizens of Breckinridge county, being filed in the Breckinridge County Court at any regular term, to the effect that any public road, or part thereof, is not of sufficient width for the convenience of public travel, the said court shall appoint three suitable persons to view the same, who shall report the same, in writing, under oath,

to the court at its next term, the present width of said road at the point or points designated; the character of the ground over which it passes, or the land thereto, and the purposes for which the adjacent land is used; and whether, in their opinion, the convenience of public travel demands that said road be made wider, and the distance of such increased width; and they shall also report how much of the adjacent land will be taken by the proposed change; to whom it belongs; to what extent the change will injure or benefit the owners of said land. It shall be the duty of the county surveyors to act as one of the reviewers of the roads, unless interested in the opening of said road, whereupon the county court may appoint a competent surveyor. Upon the report of the reviewers, like proceedings may be had as are now had in applications for opening roads. If, upon the whole case, the court shall be of the opinion that the road ought to be widened, it shall order the supervisor of roads to have the same done in manner and form as prescribed by the court. In carrying out the provisions of this section it shall be lawful, when unavoidably necessary to embrace portions of any yard, lot, park or orchard in the increased width of any road, but not of grave-yards, without consent of corporation or parties having dead buried therein, and then upon proper provisions for decent re-interment. In every case arising under this section the person whose land is taken shall, if he require it, be compensated therefor; and, if no agreement can be made by and between him and the court as to the amount of such compensation, a writ *ad quod damnum* shall be awarded the party aggrieved, and such proceedings had thereon as may now be allowed by law.

their respective places of residence, for which each delinquent shall have credit at the rate of one dollar for each full day's work performed by him. The supervisor shall notify each delinquent as road hands are now required by general laws to be notified; and for failing or refusing to comply with the order of the supervisor when so notified, such delinquents are made liable to all the fines and penalties now imposed by general law on persons who fail or refuse to work on roads. The supervisor is authorized and empowered to collect the taxes due from such delinquents, if they desire to pay the same instead of working on the roads, and he shall be liable on his bond for the money so collected, and the same may be recovered from him on motion of ten days' notice in the quarterly court. The taxes so collected shall, by the supervisor, be reported to the county court, and paid over to the tax collector, and held and applied by him as part of the road fund.

same done; and upon his failure, after reasonable time being reported by the supervisor, the judge shall cause a summons to issue from the county court clerk's office against such person or persons, citing him or them to appear at the next regular term of his court, which shall meet in not less than five days thereafter, to show cause why the same shall not be done by the supervisor or contractor, and the cost thereof laid as a tax upon his or their property as other county taxes; and upon the failure of such person or persons to show cause, the court shall order said ditches to be made, or ditches, creeks or branches cleaned out, widened, or straightened or under-drain put in, giving special directions therefor, and the cost thereof be laid and collected as a tax on the property of said party or parties, and the work shall be paid out of the county levy; but in all such cases the party or parties on whose land the work is ordered to be done shall be entitled to a writ of *ad quod damnum*, and due compensation for his property taken and for damage sustained.

§ 14. It shall be unlawful for the county judge and justice of the peace, sheriff or tax-collector, county attorney, or supervisor or assistant supervisor, or any overseer, to become, directly or indirectly, interested in any contract for working roads; and it shall be unlawful for either of said officers or employes to buy or become interested in any road order or certificate, or any claims growing out of such work. Either of said officers or employes who shall violate this section shall be guilty of a misdemeanor, and, upon indictment by a grand jury, conviction thereof before a court of competent jurisdiction, shall be fined for each offense less than fifty nor more than three hundred dollars. CHAPTER 482.

AN ACT to establish the boundary line between the counties of Bourbon and Harrison.

WHEREAS, By reason of frequent surveys of that portion of the boundary line between said counties, which extends from the mouth of Townsend creek to Nicholas county, and each survey locating a different line, much uncertainty has existed in the minds of citizens, who reside near said boundary line, as to which county they were residents of; and whereas, in order to settle that question definitely, the county court of Harrison, in the year one thousand eight hundred and eighty-eight, did appoint the county surveyor and commissioners from that county to meet the county surveyor and commissioners from Bourbon county, to agree upon and run said line, which they completed during the month of December of that year, and submitted their report to their respective county courts, which report was approved, adopted and ordered to be recorded by the Harrison County Court of Claims at its April term, April twenty-third, one thousand eight hundred and eighty-nine, and by the Bourbon County Court of Claims at its November term, November fourth, one thousand eight hundred and eighty-nine; therefore,

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

§ 1. That in future the line agreed upon by said commissioners, as set forth in said report, shall be the boundary line between the counties of Bourbon and Harrison, as far as it extends, and is thus defined in said report.

eight and one-fourth miles, to a set stone on the old Thornton (now Mistress Cleaver's) farm, as the initial point of the boundary line between said counties; thence running eastward from said stone north forty-six and one-half east, according to the magnetic needle, making no allowance for its variation, one thousand two hundred and eighty-nine poles to a large stone marked "B" and "H," set up on the farm of O. B. Turner, to mark definitely in future the bearing of the boundary line between Bourbon and Harrison counties from stone to stone; said stone, marked "B" and "H," supposed to be at, or as near, the corner between Bourbon and Nicholas counties as could be determined without an actual survey of the line between those counties; then, returning to the initial point, the line between the counties of Bourbon and Harrison was extended westward, according to the magnetic needle, making no allowance for its variation, south fifty degrees west six hundred and fifty-five and seventy-six one hundredth poles, horizontal measurement, as the other distances were measured, crossing the South Fork of Licking three times to the north abutment of the Kentucky Central Railroad bridge over the mouth of Townsend creek, leaving unchanged the old boundary line westward from this point.

The board of trustees shall appoint an assessor, who shall make the assessments necessary for fixing and collecting said taxes, under such rules and regulations as may be prescribed by the board of trustees; and shall receive for his services such sum as may be fixed by the board of trustees. Said taxes shall be due on the first day of January in each year, and shall be collected by a collector appointed by the

Collection of tax. board of trustees for that purpose, who shall collect the taxes in the same manner as the State revenue is collected, and shall have the same power and authority in the collection of said tax as is conferred upon the sheriffs of this Commonwealth in the collection of the State revenue. Said collector shall execute bond, running in the name of the Commonwealth of Kentucky, for the use and benefit of the Junction City public graded school district, before said board of trustees, with good security, to be approved by them, for the faithful performance of his duties, with the same penalties as are or may be prescribed by law for sheriffs in the collection of the State revenue; and shall receive for his services such compensation as the

board of trustees may allow him : *Provided*, That the said bonds shall not be issued until the question of their issual shall have been submitted by said board of trustees to the legal white voters within the limits of said Junction City public graded school district ; and if a majority of the qualified and legal voters in said district shall vote in favor of the issual of said bonds, then it shall be the duty of said board of trustees to issue said bonds as aforesaid. The proposition for issuing said bonds shall be submitted to said voters by said board of trustees at such time and manner as may be fixed and prescribed by said board of trustees ; but before said vote is taken, at least fifteen days' notice of said election shall be given by written or printed notices signed by the chairman of said board of trustees being posted up in at least five public places in said school district ; said notices to state the time when said election shall be held, and the amount for which said bonds shall be issued ; and if, at an election so held, a majority of the voters voting at such an election shall vote in favor of the issual of said bonds, it shall be the duty of said board of trustees, and they are hereby empowered and authorized, to issue the bonds of the Junction City public graded school district to such amount as may have been provided for in said notice, not exceeding the sum of six thousand dollars. Said bonds shall be sold by the board of trustees, or such person as they may authorize to sell same, for the best price they can get, but not less than par value ; and the proceeds of said sale of said bonds is to be applied to the purchase of suitable grounds and construction of school buildings. The proposition for the issual of said bonds may be submitted once a year until the same carries.

§ 7. For the purpose of paying off said bonds at maturity, the board of trustees may create a sinking fund from the surplus left after paying the interest on said bonds, which surplus may be invested, from

time to time, in good safe stocks, or loaned out by said board of trustees, as may be deemed best and most profitable by them.

Levy of tax. § 8. The board of trustees may cause to be levied and collected an annual tax, not exceeding fifty cents on the one hundred dollars' worth of property owned by the white persons, subject to taxation for revenue purposes to the State, within the limits of said Junction City public graded school district aforesaid ; and there may also be levied annually by said board of trustees a capitation tax, not exceeding two dollars (\$2) on each white male citizen within the limits of said school district over twenty-one years of age: *Provided*, That the levy of said ad valorem tax and capitation tax aforesaid shall not be made until the question of the levy of same shall have been submitted by said board of trustees to the legal white voters within said Junction City public graded school district ; and if a majority of said voters voting shall vote in favor of making said levy, then it shall be the duty of said board of trustees to make said levy or cause the same to be done as aforesaid. The proposition to make said levy may be submitted to said voters at the same time and place and in the same manner as the proposition to said voters upon the question of the issual of said bonds, and by the same officers holding said election, after giving notice as required by this act before taking the vote on the question of the issual of bonds for the purpose of buying grounds and building school-house ; and if at an election so held a majority of the legal voters voting at such election shall vote in favor of making the levy of said tax, it shall be the duty of said board of trustees, and they are hereby authorized and empowered, to make said levy to such an amount, not exceeding fifty cents on the one hundred dollars of the property in said district, and not exceeding two dollars on the head of each white male citizen therein over twenty-one years of age, as may be necessary to

provide suitable teachers to teach said school, at such salaries as may be agreed upon, including the per capita paid said district by the county superintendent of public schools out of the State fund, and to maintain and support said public schools generally, and to pay the incidental expenses therewith connected. Said taxes to be collected in the same manner, at the same time, and by the same collecting officer collecting the taxes for the payment of the principal and interest of the bonds herein provided for; and he and his securities shall likewise be responsible therefor, and under the same penalties as in the collection of the taxes for the payment of the principal and interest on said bonds, with like compensation therefor. This tax shall be used for the purposes aforesaid, including the compensation that may be allowed the treasurer, clerk, assessor and collector by said board of trustees. The vote may be taken for this purpose once a year, but not oftener, until the same is carried.

§ 9. The board of trustees of said Junction City public graded school shall make such enumeration and census returns as the law requires to the superintendent of schools of Boyle county; and they shall have the right to collect, receive and appropriate to the schools of said district all the common school funds due or to become due from the State. The superintendent of schools of Boyle county shall pay over to the treasurer of said board of trustees of said public graded school district the school funds due or to become due to the said district under the school laws of this State; which money shall only be used in the payment of teachers in said school.

§ 10. The board of trustees of said Junction City public graded school district shall appoint an assessor to assess said property and polls, and agree with him as to his compensation. He shall be sworn to faithfully perform his duties before entering upon them. The trustees shall have power

to review his list and equalize the tax. If a person fails to list his property or poll, the assessor shall do so for him. The assessment shall be made at any time after the fifteenth day of September of every year, and shall relate and be as if made on that day, except if persons move into said district after that day, and desire to send children to school, they may do so, and have the option of entering on the same terms as persons outside of the district, or to be listed and pay as from, and in proportion to, the time of entering children in school.

§ 11. The assessor, in listing and assessing the taxable property in said district for taxation under this act, shall assess said property at its fair cash value. If the owner of any property so listed claims that the valuation so made is excessive, he shall have the right to bring the matter before the board of trustees for correction. Said board, after hearing the proof, shall change and correct such valuation, if it proves to be unreasonable. And likewise if the assessment of any of the property in said district listed for taxation shall be valued by the assessor too low, said board of trustees, upon their own motion, shall cite the owner or his agent before them by written notice, and change and correct the assessment or valuation made by the assessor.

§ 12. The board of trustees of said Junction City public graded school district shall appoint two judges and a clerk, who reside in said district, to hold the election for trustees for said district when the time comes for said election, as well as for the purpose of taking the vote on the issual of said bonds, and on levying the ad valorem and poll-tax in the said district provided for in this act, who shall be sworn as officers for holding State and county elections; and said judges shall make out and return the poll-books to said board, who shall examine the same, and at said elections for trustees shall issue certificates of

elections to those having the highest number of votes.

§ 13. The board of trustees of said Junction City public graded school district shall have the sole control of the public school property of said district, and the management of the public schools taught therein. No teacher shall be employed to teach in said school by said board of trustees who has not received a certificate of qualification from the county board of examiners of Boyle county for examining teachers for common schools.

§ 14. The board of trustees of said Junction City public graded school district shall cause to be kept a regular and correct journal of their proceedings in a good, strong, well-bound book, which, at all times, shall be open to the inspection of any member of said board, or to any tax-paying citizen of said town; and all the record-books of said board shall be preserved by said board as long as said district remains a school district.

§ 15. The board of trustees of said Junction City public graded school district shall, if at any election held in said district for the purpose of taking the sense of the qualified voters therein on the question of issuing bonds for the purpose of buying grounds and building a school-house in said district, it shall be decided by the voters therein to have said bonds issued, before said bonds are placed upon the market for sale, cause to be filed in the Boyle County Court a certified copy of the order of said board directing the vote to be taken, a copy of the notice required herein to be given before said vote is taken on the issual of said bonds, a certified copy of the result of said vote, and certified copies of all orders of said board directing said vote to be taken and said bonds to be issued, showing that same was done as provided for in this act.

§ 16. That this act shall be in force from and after its passage.

Approved April 2, 1890.

§ 1. That the mayor and city council of Richmond, Incorporators. Kentucky, whose names are J. S. Collins, mayor, J. W. Caperton, J. Brooks, Samuel Rice and W. B. Smith, councilmen, and their successors in office, are hereby created a body-corporate and politic, with the

right of perpetual succession, under the name and style of the Richmond Water-works and Sewerage Company; and by that name may sue and be sued, plead and be impleaded, contract and be contracted with, purchase, acquire and hold and sell personal, real and mixed property, to the extent required for the purposes of this act; and said company shall have a common seal, and may alter and change the same at pleasure.

Capital stock.

Said corporation may acquire by gift, purchase or condemnation, ground upon which to erect all necessary reservoirs, pumping-houses and apparatus, and all other buildings or other structures necessary for the full and complete enjoyment of the right and privileges hereby granted; and also all ground necessary for the laying of water and sewerage pipes, and other mains to conduct and carry the water to the reservoir or reservoirs, and from thence to the city, and to any other corporation, companies or individuals, with or to whom the said company may contract to furnish and deliver water.

That no indebtedness shall be incurred by the incorporators under this act, or by the city council, for the purposes of carrying out this act, without a majority of the citizens of Richmond, who are under the law entitled to vote, shall have voted on a proposition to raise money or execute bonds for the purpose of raising money with which to supply the city with water and good and sufficient sewerage; and the said city council shall make all necessary orders for said election, and shall give at least twenty days' notice of the same, and in said notice the object and purposes of said election shall be fully set out, and this notice shall be by advertisement in the newspapers published in the city, and by printed handbills, and these shall be posted in five or more of the most public places in said city, and this shall be done not less than twenty days before said election.
